

# FAMILY DEVOTION

**JUST DO IT!**  
“Just Obey!”

“If I Say I Love Jesus, Gotta Do What He Commands!”

“If you love me, obey my commandments.” - John 14:15

## **SAY:**

Many Christians know what the Bible teaches. They know what Jesus has commanded us to do, but they just don't want to obey Him. They want to do things their own way.

Jesus talked about this problem in Luke chapter 6. He asked His followers a very important question. He asked, “Why do you call me Lord but don't do what I say?”

This is a tough question. Basically, Jesus was asking, “How can you say that you are my follower when you won't do what I say?”

## **READ:**

Luke 6:46-49

## **DISCUSS:**

- How many builders were featured in our Bible Story?
- What did the “wise man” build his house on?
- What did the “foolish man” build his house on?
- What happened to the foolish man's house when the storm came?

## **SAY:**

We learn from the parable of “The Wise Builder And The Foolish Builder” how important it is to not just KNOW Jesus' commands, but to OBEY them. We don't need to question...we need to just obey!

## **PRAY:**

Pray for your children to obey God every single day. Pray for forgiveness and strength to obey God no matter the circumstances. Pray that God will help them build their lives on the strong foundation of God's Word so they can make it through life's storms.
