The Big Ten: *Don't Lie*

"I Will Always Tell The Truth!"

*"The Lord detests lying lips, but he delights in those who tell the truth."
– Proverbs 12:22*

This week, we continue our series called, "The Big Ten." In this series, we're learning from God's Big Ten - the Ten Commandments!

Read:

Acts 5:1-11

Ask/Discuss:

- What were the names of the two people who lied?
- What did Ananias and Sapphira lie about?
- What happened as soon as they lied?

Say:

It's very common in the world for people to lie. People lie all the time. They try to cover up their mistakes, keep people from knowing what REALLY happened, or keep people from finding out or who they REALLY are; however, as Christians, we are commanded to live differently.

Ask/Discuss:

- What are some common things people lie about?
- What have you lied about in the past? Did you get caught?
- What can happen when we lie?

Even half-truths are WHOLE lies. We need to remember that lying is the opposite of Jesus, and that we must speak the truth - all the time, to everyone!

Pray:

Pray for your children to obey the ninth commandment and avoid lying. Pray that they will learn the importance of speaking the truth - all the time, to everyone.
