## THE TABLE: "The Kids Table"

"I'm Never Too Young To Change The World!"

"Don't let anyone think less of you because you are young. Be an example to all believers..." - 1 Timothy 4:12

### SAY:

Too many kids think you have to "grow up" and become an adult before you can really do anything BIG for God! This is not true.

The Bible is full of great examples of young people who made a huge difference in the world when they put their faith in God. One of those young leaders was a young man named Josiah.

### READ:

2 Chronicles 34

### DISCUSS:

- What was the name of the kid who became king?
- How old was Josiah when he was crowned king?
- What did Josiah order to be torn down?
- Was Josiah's reign a successful one?
- Should you wait until you are older to do BIG things for God?

### SAY:

Josiah became king when he was still a kid. He didn't let his young age keep him from doing what God led him to do. His decisions changed a whole nation and drew the people closer to God.

Through the story of Josiah, we learn that we are never too young to be an example of Jesus for ALL people!

### PRAY:

Pray for your children to trust God and believe He will use them in a big way! Pray that they won't allow their young age to be an excuse for not following Jesus and being an example of His love to everyone around them!
