JOSHUA: EXTREME HERO

“I Spy”

“God Is Bigger Than Anything!”

“Don’t be afraid, for I am with you. Don’t be discouraged, for I am your God...” – Isaiah 41:10

READ:

Numbers 13:1-14:9

DISCUSS:

- What was the name of the land God had promised the Israelites?
- How many spies did Moses send into the land?
- How many of the spies came back with a bad report?
- What were the names of the two spies who came back with a good report?

SAY:

When Moses and the Israelites arrived at the Promised Land, Moses decided to send in spies to check out the land. He expected them to come back with great news. Instead, ten of the twelve spies came back with reports of how impossible it would be to take over the land.

However, Joshua and his friend, Caleb, had a much different report. They reported that, even though there were giants in the land, they knew that God was greater and able to give them the land. They knew that God is bigger than any problem we may face. Instead of being led by fear, they were led by faith!

God is bigger than any difficulty or problem they may face in life. We must never fear, trust God, and keep their focus on Him.

DISCUSS:

- What enemies are you facing right now? How can God help you?

PRAY:

Pray with your children that they would not focus on their problems but on the God Who can deliver them from those problems. Pray for God’s deliverance in their lives.
