WORSHIP:

“Whatever It Takes”

“God Is Worth Everything I Have To Give!”

“Come, let us worship and bow down. Let us kneel before the Lord our maker.” - Psalm 95:6

SAY:

Worship is something that we offer to God to demonstrate our love for Him and how important He is to us. Too often, we want worship to be easy, quick, and not cost us anything. This is not what God desires. He does not want “the least we can give.” He wants our whole heart. He wants our full attention. He wants us to offer Him our best in worship.

READ:

2 Samuel 6:11-13

ASK/DISCUSS:

- What had happened to the house of Obed-edom?
- What did David decide to do when he heard of the blessing of Obed-edom’s house?
- How did David and his men transport the Ark this time?
- How often did David and his men stop to build an altar?
- Was David worried about how much the sacrifices cost?

SAY:

There is no cost too great and no effort too difficult in order to give God the worship He deserves. God is worth everything we could possibly give. We must give Him our best each and every time we worship Him.

ASK/DISCUSS:

- Why is it so important to worship God?
- What are some ways we can worship God with our whole heart?

PRAY:

Spend time praying and worshipping God. The pray, asking God to help you to always make worshipping Him priority - whatever it takes!
