

FAMILY DEVOTION

THE HOLY SPIRIT "Following The Spirit"

"I Will Listen And Obey What The Spirit Says!"

"...let us follow the Spirit's leading in every part of our lives."
- Galatians 5:25

PLAY:

Play the game of "Telephone," but start by whispering a longer phrase into someone's ear, who will then whisper into the next person's ear, and so on until the last person says what they heard. Set a timer for a short amount of time that will require you to rush through the game, likely making it difficult to hear and clearly understand the phrase. Play some loud music in the background.

SAY:

That was hard to understand when we were hurrying to hear what I had to say, wasn't it? Now let's try it a little differently.

PLAY:

Play the game again, but make sure everyone takes their time. Whisper clearly and make sure it's easy to understand the phrase. Turn off the music for this round and take as long as needed so that the phrase is clearly understood.

SAY:

It's way easier to understand what I said when we slowed down to listen. It was easier when we weren't in a rush and we turned off all the noise around us!

That's how it is when we want to hear from the Holy Spirit! The Holy Spirit wants to show us His plans for our lives and help us in tough times, but many times we're in too big of a hurry and have too many distractions to hear what He has to say.

PRAY:

Spend time with quiet worship music to listen for the Holy Spirit. Finish by praying together that your children will follow the Holy Spirit's leading every day!
