ALL:
"God Loves ALL!"

"God Loves ALL People The Same!"

"...everyone who believes in him will have their sins forgiven through his name." – Acts 10:43

Say:

In a world full of prejudice, self-doubt and low self-esteem, and in a world simply FULL of different people - it may be hard to believe that God loves ALL people the same. However, that's exactly the truth!

Read:

Acts 10:1-3

Discuss:

- What did God show Peter in his dream?
- What lesson was God teaching Peter through his dreams?
- What was the name of the man who Peter went to visit?
- Did Peter struggle with prejudice?

Say:

We can learn from the story of Peter and Cornelius that God loves every person the same! God doesn't play favorites, so we shouldn't either.

As followers of Jesus, it is so important that we show God's love to ALL people. If God loves ALL people the same - so should we!

Discuss:

- Who are some people the world treats unfairly?
- Who are some people we have been guilty of treating unfairly?
- What can we do to show those people God's love?

Pray:

Pray for your children to always remember that God loves ALL people. God loves them and God loves everyone in the whole world the same. Pray that they would treat others with the love of God every chance they get.
