The Big Ten: *Don't Commit Adultery*

“When I Get Married, I Will Stick With Them For LIFE!”

“You must not commit adultery.” – Exodus 20:14

This week, we continue our series called, “The Big Ten.” In this series, we’re learning from God’s Big Ten - the Ten Commandments!

Read:

Genesis 39:1-12

Ask/Discuss:

- Who did Joseph work for?
- What did Potiphar’s wife try to get Joseph to do?
- How did Joseph respond to Potiphar’s wife?
- What happened when Joseph ran away?

Say:

Marriage is one of the most special and holy things that God has established. Although you are not going to be considering marriage for a long time, it’s important that you begin to understand the importance of marriage.

Marriage is a serious commitment, and husbands and wives must be faithful to one another for a lifetime.

Once a man is married, he is saying, “I will love and honor **ONLY** my wife for the rest of my life.” No girlfriends! Once a woman is married, she is saying, “I will love and honor **ONLY** my husband for the rest of my life.” No boyfriends!

So even though you are still young and not even thinking about getting married, remember that marriage is an amazing relationship that God created for a man and woman to enjoy. And it is a commitment that should last the rest of your life. Don’t commit adultery! Be faithful!

Pray:

Lead your children in a prayer that God will help them to be faithful husbands and wives when they become adults.
