## The Forgotten: “What Can We Do?”

“I May Be Young, But I Can Change The World!”

“Don’t let anyone think less of you because you are young. Be an example to all believers...” - 1 Timothy 4:12

This week we conclude our series, “The Forgotten!” In this series, we have learned why people sometimes forget their job as Christians - to reach those who don’t know Jesus. We often forget those people, but we must share Jesus with the whole world!

### **Say:**

Too many kids buy into the idea that you have to “grow up” and become an adult before you can really do anything BIG for God! This is not true. The Bible is full of great examples of young people who made huge differences in the world when they put their faith in God.

When it comes to missions, kids can most definitely make a big impact. You can pray for our missionaries and for the lost souls around the world. You can give money so that missionaries are able to travel to other countries and do the work of God. Then, when you are older, you can go to other countries.

### **Ask/Discuss:**

- Who are some missionaries you can pray for?
- Who are some lost people you can pray for - that they would hear about Jesus and give their lives to Him?
- What can you do to make money to give towards missions?
- What can you do this week to make a difference for Jesus at your school or in your neighborhood?

### **Say:**

You can make a difference! You just have to make sure you ALWAYS remember that there are people all around this world that need Jesus. You can’t forget them. You can’t get so busy doing “important” stuff that you forget there are people that are forgotten and need to know Jesus. AND you don’t have to wait until you’re older. You can start NOW!

### **Pray:**

Pray that your children would Pray, Give, and Go! Close with a time of prayer for the forgotten in this world.
