

IDENTITY AND IMAGE

2 Corinthians 5:14-20

Your identity begins with Jesus.

Jesus-first changes everything.

(your identity is received and not achieved)

We are all together different.

Your identity drives your purpose.

*Because we are in Christ,
we live Christ-first in every role and relationship.*

GROUP / FAMILY DISCUSSION

- What are some labels you would apply to yourself?
- What are some labels that have been applied to you by others?
- “Identity is the question of our day.” Do you believe this is correct? Why or why not?
- How does a Jesus-first identity change all other ways you may identify yourself?
- Using a particular role or relationship you are currently in, provide a specific example of how living Jesus-first is different than another person in the same role NOT living Jesus-first?
- Read **Romans 8:14-17**. How does this passage describe our identity in Christ?
- According to this passage, what are some of the results of our identity in Christ?
- How can you practically live a more Jesus-first life this week?
- What role or relationship can you become more “Jesus-first?”
- How will you practically show Jesus-first in the places you live, work, and play?
- **Pray** for someone you know by name who needs the reconciliation of the gospel.
