

# COVENANT RENEWED

Exodus 24 / 34

*God commits His glory and goodness to those who are committed to Him.*

## **GOD IS LOOKING FOR THE COMMITTED NOT THE “NEVER SINNED.”**

## **THERE CAN BE NO COMPROMISE FOR THE COMMITTED.**

How compromise creeps in:

*Openness*

*Participation*

*Entanglement*

## **GOD WILL DO AWESOME THINGS THROUGH THE COMMITTED**

First, it's God's work

Second, it's for God's glory

Third, it's for global mission

## **Family & Group Discussion Guide**

- Are you a “paper to-do list person” or an “electronic to-do list person?”
- Name three things you are completely committed to?
- Why is the fact that God is looking for the committed and not the “never sinned” such a good thing?
- How can we prove this is the case in Scripture?
- **READ** Deut 5:32. How does this passage support the idea that there can be no compromise for the committed?
- Share when and how you committed your life to Christ.
- Share if you have ever recommitted your life to Christ. What were the circumstances surrounding it?
- What needs to be torn down in your life so you might be committed to Christ?
- **PRAY** for each other that God will loosen your grip on idols.
- **PRAY** God's glory will be displayed through you to those around you to further God's mission in the world.
