

# WHAT ABOUT ANGELS?

Psalm 91

## **The spiritual realm is real.**

Many people view the spiritual realm as a fable, fascination, or fear.

We are called to live in an awareness of the realities of the spiritual realm around us.

## **You are cooler than the angels, but Christ is greater than all.**

Angels were made to serve God but you were made in God's image.

Angels will experience judgment, but you can experience redemption.

Angels may be more sophisticated than you, but you will one day judge them.

## **Angels minister to you but they serve God.**

## **A clear view of angels will always point to God.**

The chief purpose of angels is to point people to God and worship him.

The chief end of man is to glorify God and enjoy him forever.
