

RHYTHM OF GIVING

2 Corinthians 9:6-15

FIRST, GIVE GOD HIS TITHE.

Tithing reminds me all I have comes from God.

Tithing places God first in my life.

Tithing teaches my heart to trust.

FULLY COMMIT YOUR MONEY FOR HIS GLORY.

We either use our money for our desires or God's glory. (Luke 16:13)

FREELY GIVE AS HE DIRECTS.

You are blessed ~~to be rich~~ to be a blessing.

GIVE EVERYTHING FOR HIS GLORY..

When we give it is a **reflection of the gospel**

And an **advancement of His Kingdom**

Discussion Guide

- Why is talking about money often an awkward conversation?
- Why does it tend to be even more awkward when we talk about money and the church?
- How have you understood the idea of tithing either from tradition or past teaching?
- How has the message this Sunday changed your understanding of tithing (if it has)?
- Read **Acts 2:42-47**. How do the early believers demonstrate a godly view of money? What would this look like to be lived out in our church today?
- Share a story of how God provided for you as you honored Him?
- If we were to live out the same generosity in our Life Group that we see the Early Church display in Acts 2:44-45, do you think it would help us share the gospel with our neighbors? Why or not?
- On a scale of 1-10, how much of your money is surrendered to God?
- How can you be generous THIS WEEK (i.e., start tithing, help someone in need, etc)?
- **PRAY** that God will help you to surrender your money to His will?
- **PRAY** that God will provide as you surrender your money to His will?
