

# SENIOR SAINTS

## Psalm 71

### God values senior saints.

God values their life.

God values their wisdom.

God values their experience.

### God uses senior saints.

In the Bible

In the church

### God honors senior saints who remain faithful.

Because faithfulness is the goal of the Christian life.

Because God remains faithful to senior saints.

*Finish strong. Finish well. Finish faithful.*

## GROUP / FAMILY DISCUSSION

- What is the best thing about getting older?
- What is a fear you have about aging?
- How does our culture view getting older?
- How does our culture view the elderly?
- In what ways does the Church follow along with the views of culture?
- Read **2 Timothy 4:7-8**. How does Paul, nearing the end of his life, describe what life was like?
- What was Paul's focus? Was he looking back or looking ahead?
- Do you think Paul's focus affected what he accomplished as he neared death? Why or why not?
- In what ways do you think methods might need to change from your experience in order to deliver the gospel to the next generation?
- How can you help to ensure this happens in our church?
- Regardless of your age, how can you begin to practically prepare now to *finish strong, finish well, and finish faithful*?
- **Pray** for those struggling currently with the issues of aging. Ask God to bring someone to mind who you can honor and value for their faithfulness.
