APPLYING TRUTH: ACTS 9:19-31

Q1. *In verse 27, we see Barnabas take Saul into Jerusalem and “vouch” for the transformation Christ has done in him and how Saul has committed his life to the cause of Christ.*

- » *How much is the American church like and dislike the church at Jerusalem with regard to how they treat those who previously did heinous acts, but then make a profession of faith? (Murder, sexual crimes, robbery, enslavers, terrorists)*
- » *How well do you welcome those you never would have thought would be transformed by Christ? Do you have examples?*
- » *Would God call us to be more like Barnabas or to be standoffish like the Jerusalem church? Explain your answer.*

Q2. *In verse 30-31, the testimony is that the church in the Gentile and Samaria areas had peace and were built up in increasing measure, because they were walking in the fear of the Lord and the comfort of the Spirit of God.*

- » *Is the church walking with God in holy fear a requirement to peace and growth?*
- » *Are there other ways the church grows if it does not fear the Lord nor walk in the Spirit?*
- » *What part are you playing in walking in the fear of the Lord and peace with the Spirit, or in what ways might God be calling you to a closer relationship with Him? How would this inward faith be seen in the life of the church?*
