APPLYING TRUTH: ACTS 9:32-43

Q. *In verse 33 we see God bring another encounter with someone hurting. Can we say, in the faithful going about the day, as directed by God, He appoints times and places to change everything about people's lives when we are obedient?*

- » *Are these encounters that Peter has unique to his apostleship, or leadership in general, or is this something to serve as an example to all of us?*
- » *Is a fear of God required in order to be obedient? Why?*
- » *How would God change your "normal" day if He will use you for such service?*
- » *Ask yourself, "Am I willing to serve God and share the truth of the Gospel whenever and wherever the Spirit prompts me?" Why or why not?*
