TO THE CHRISTIAN FAITH

OBJECTION #2

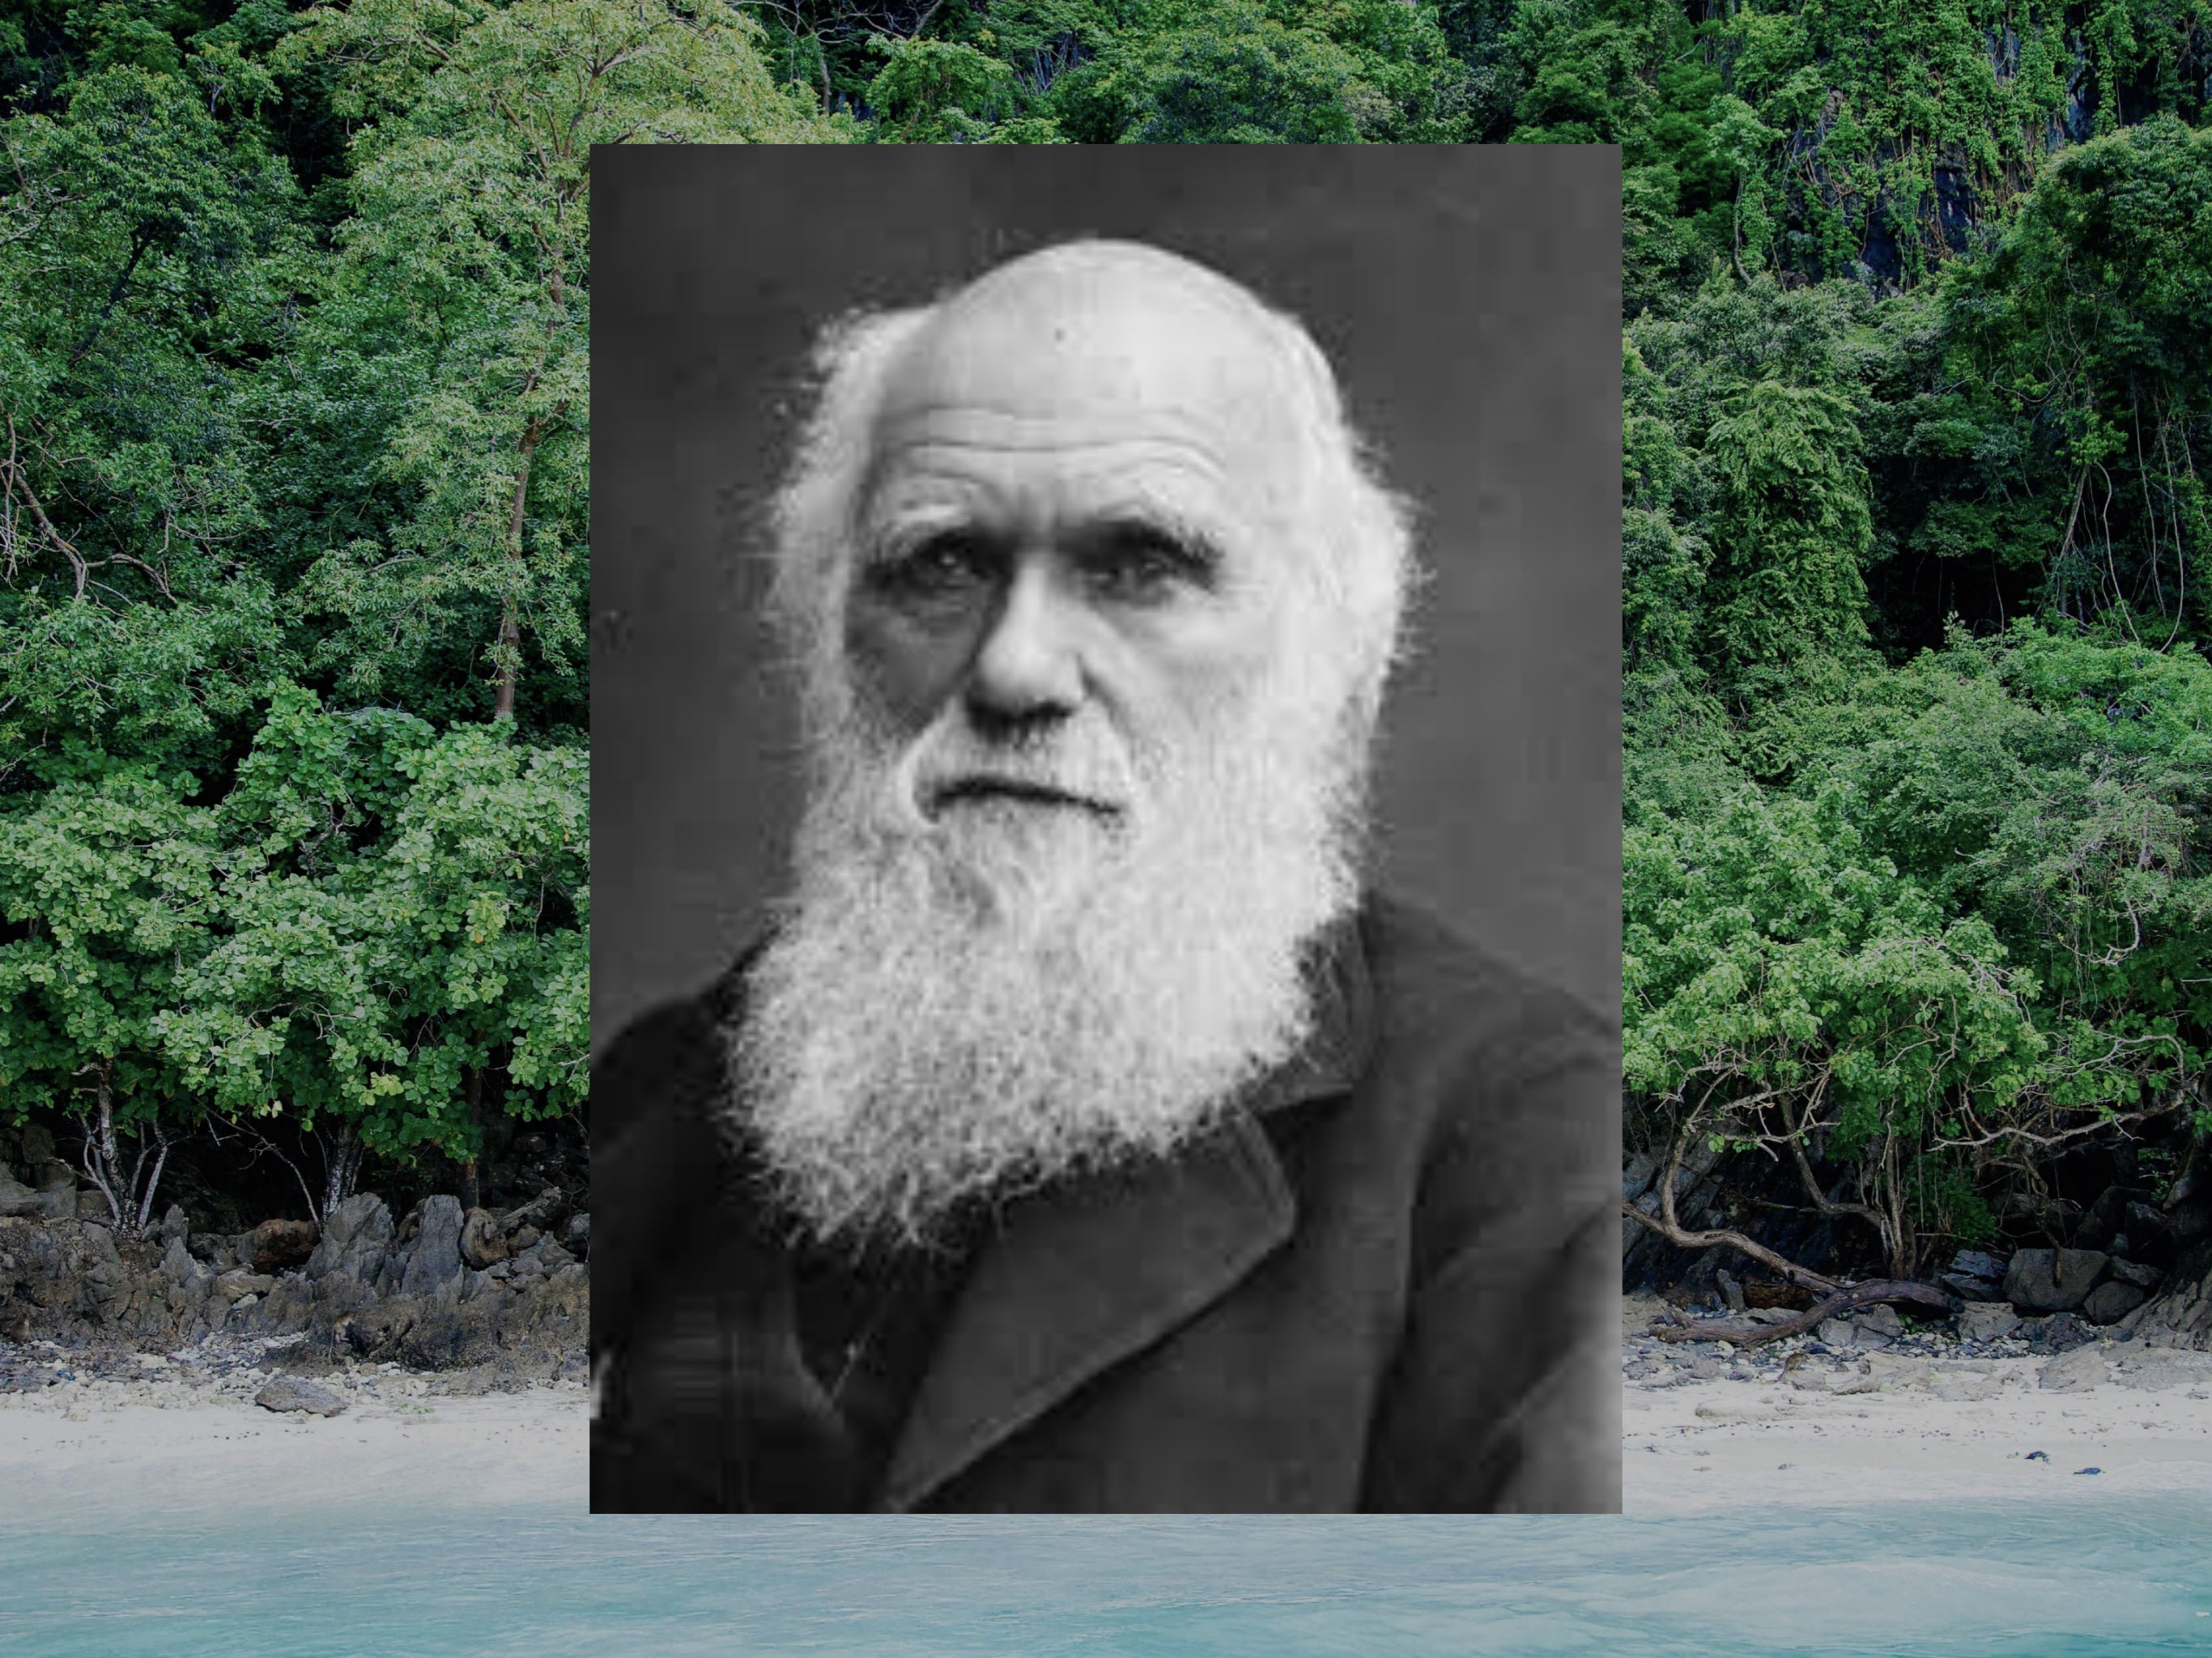

"Creation is a myth."

# Naturalistic Evolution

Naturalistic Evolution is the theory that the universe is many billions of years old and that after a long period of time, all galaxies, stars, planets, and life on earth evolved. This Evolution was without divine intervention.

# Fred Hoyle

“The Probability of life arising on earth (by purely natural means, with out special divine aid) is less than the probability that a flight worthy Boeing 747 should be assembled by a hurricane roaring through a junkyard.”

# Jeffery Schwartz

“It was and still is the case that, with the exception of Dobzhansky’s claim about a new species of fruit fly, the formation of a new species, by any mechanism, has never been observed.”

# Psalm 102:2

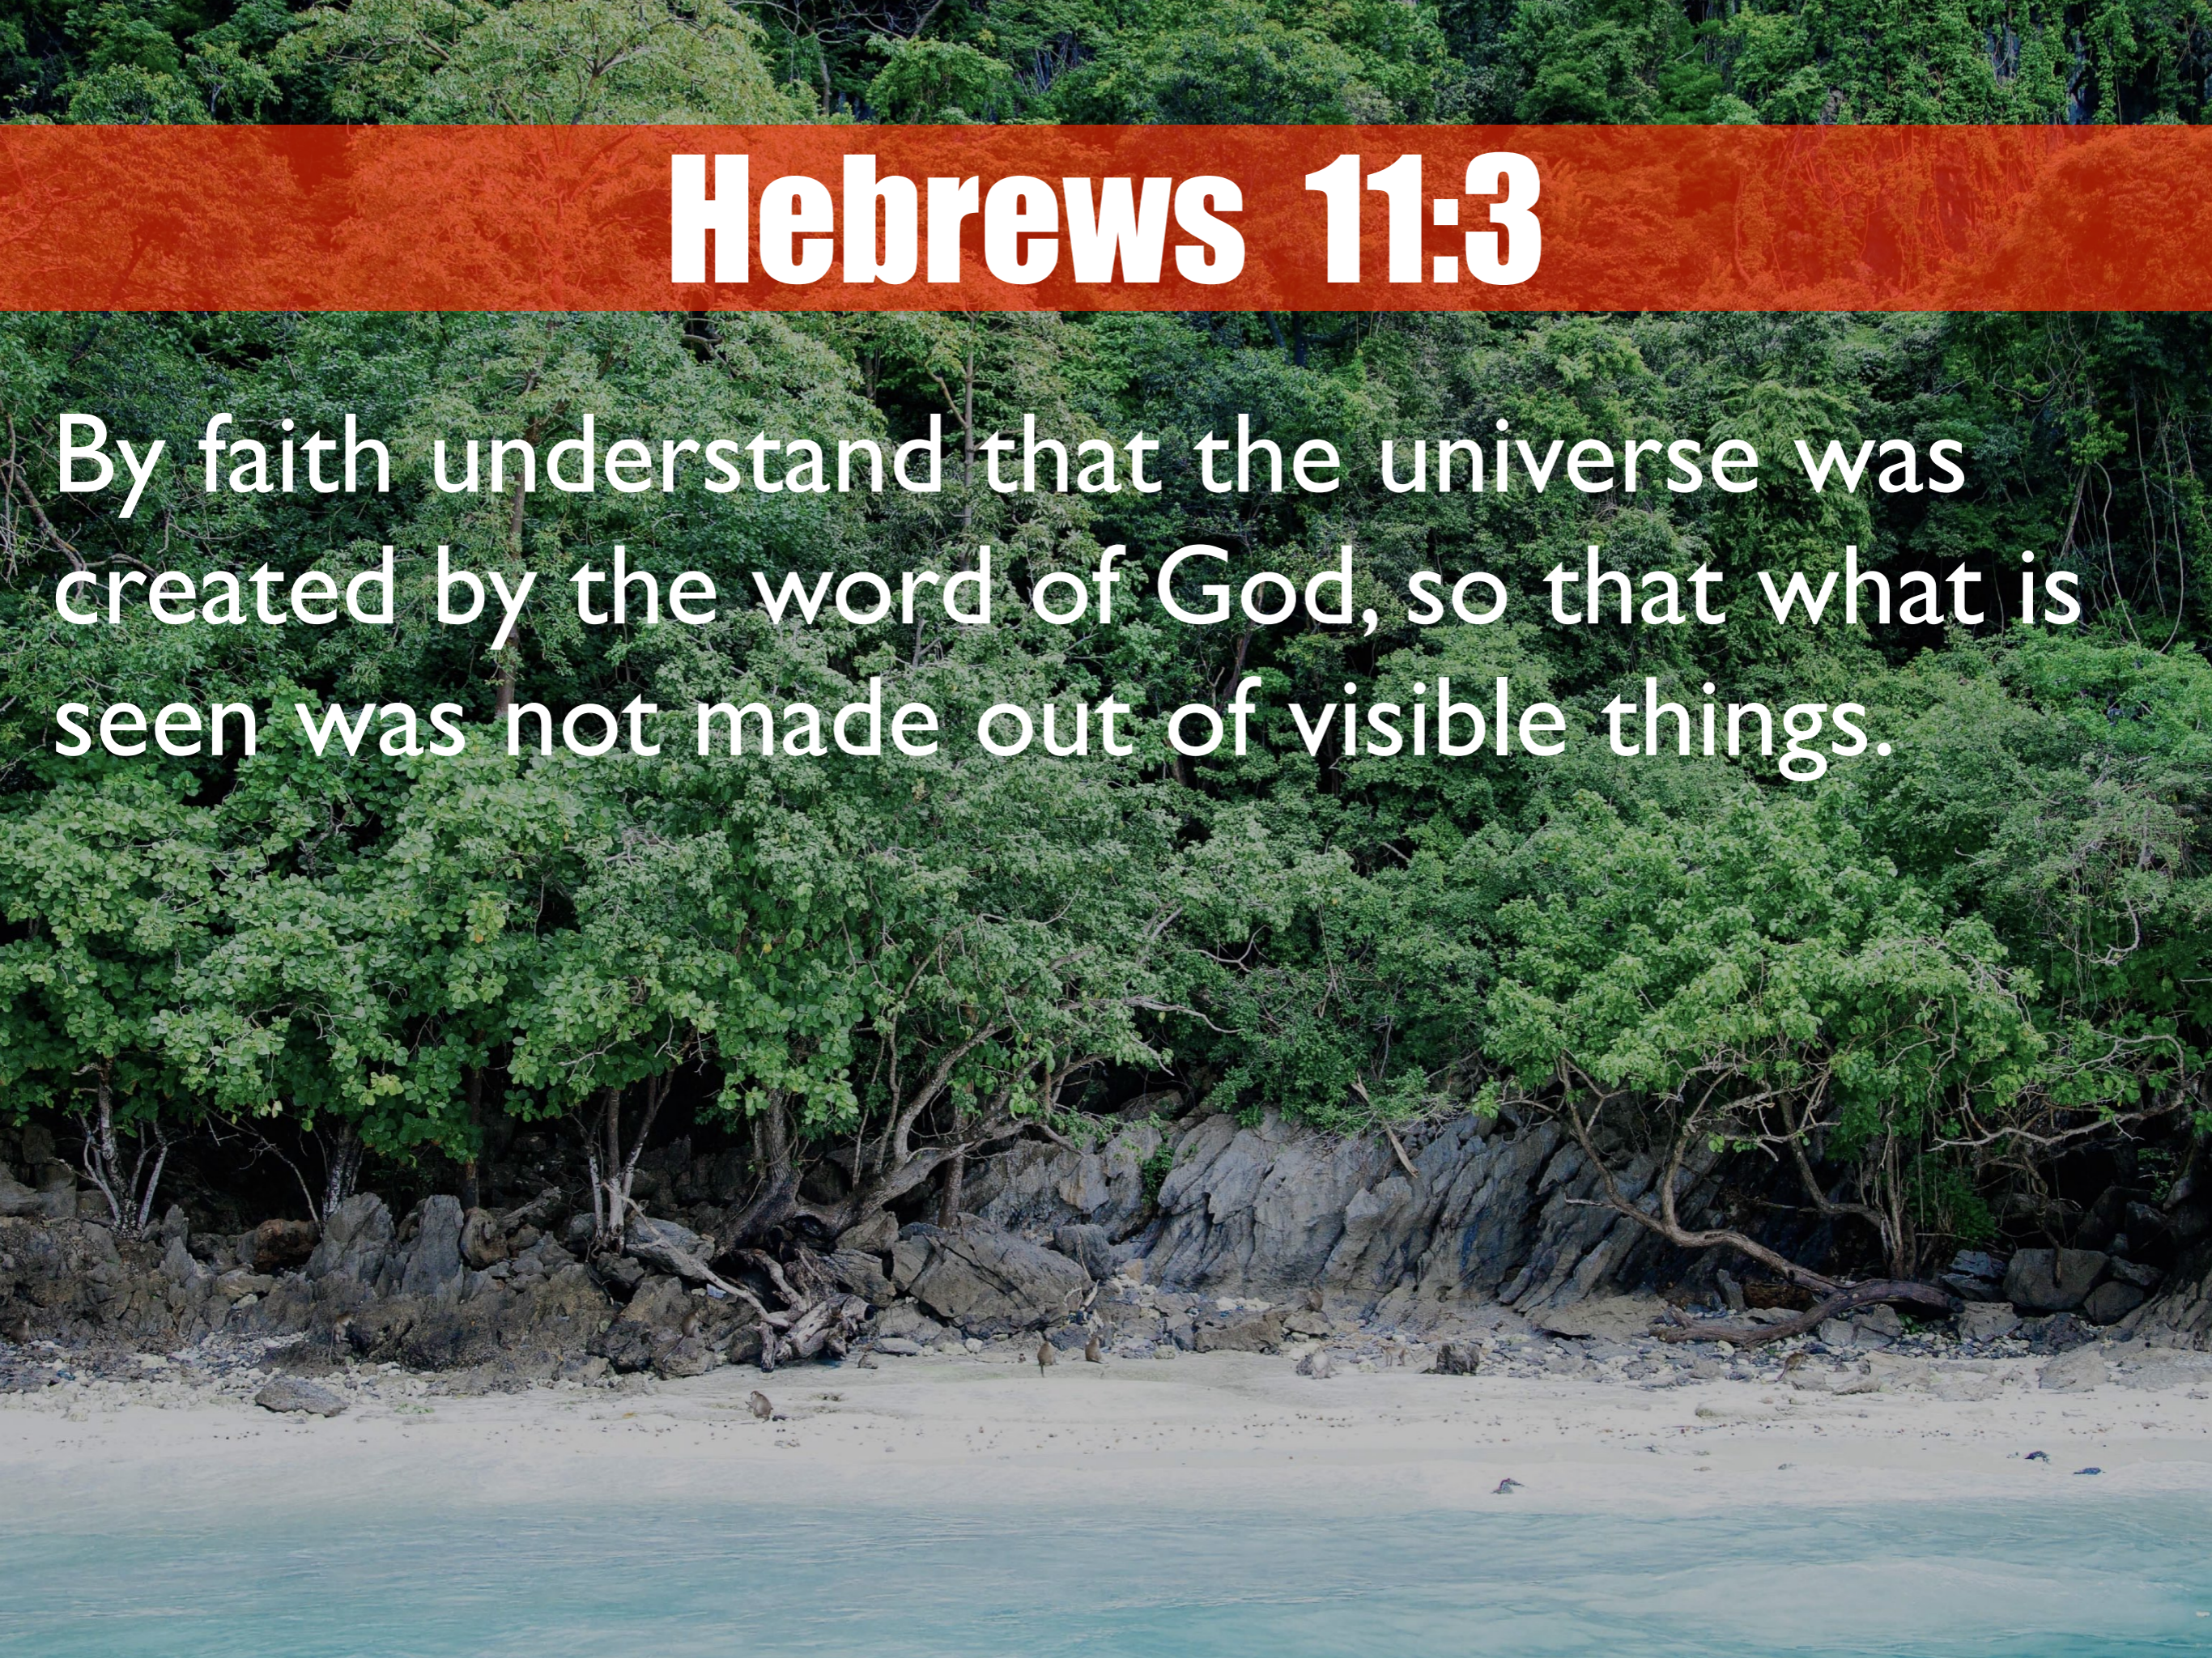

But you, O Lord, abide forever, and your name all generations.

# Hebrews 11:3

By faith understand that the universe was created by the word of God, so that what is seen was not made out of visible things.
