ADVANCE THE GOSPEL

The Gospel is a call to be missionaries. Jesus' last words on earth to His people was a call to mission expressed in Matthew 28:18- 20.

STEVEN NEIL

"... Nothing is more notable than the anonymity these early missionaries... Luke does not turn aside to mention the name of a single one of those pioneers who laid the foundation. Few, if any, of the great Churches were really founded by the apostles. Peter and Paul may have organized the church in Rome; they certainly did not found it."

ADVANCE THE GOSPEL

The Gospel is a call to be missionaries. The Great Commission is not a calling for some; it is a mandate for all.

THE QUESTION TO ASK IS...

*"What role has God given me to play
in the expansion of the Kingdom?"*

The church is best understood as an aircraft carrier, not a cruise ship dispensing religious luxuries. Every believer is a fighter plane.

REASONS WE DON'T SHARE OUR FAITH - J.D. GREEAR

1. "I don't have what it takes."
2. "It's not my gift."
3. "I witness with my life."
4. "I don't have time."
5. "Talking to other people about Jesus makes me feel weird."

CONSIDER THIS

If you find yourself lacking in motivation to share with others, ask yourself: Do you really believe the message? If you do, you know that sharing the message is worth the awkwardness.

It's worth anything.

“DO THIS IN REMEMBRANCE OF ME.”
