The Bible Doesn't Say That 2

Part 2: "When God closes a door, He opens a window."

Conversation Starter: When you have an important decision to make, who is the first person you consult? Why?

1. What was Gideon looking for in Judges 6:36-40 with the fleece on the ground?
2. What does Paul say about the "open door" to ministry in 1 Cor. 16:8-9?
3. Why is it false that not all open doors are good and not all closed doors are bad? What Bible story from the sermon really connected this point for you? Can you think of others in the Bible? (Example Jonah, Rich fool, Jesus temptation, etc.)
4. When we say "Spirit Dependence", what does that mean to you?
5. Share a story, when you felt the Spirit led you through a difficult decision and how you went about making that decision?
6. Summary: Therefore, what are the negatives and positives from the statement "When God closes a door He opens a window."

Prayer: How can we pray for each other?
