Sermon Discussion Questions
Who is Jesus? The 7 I AM Statements of Jesus
Part 4: The Good Shepherd

Read John 10:11-21

1. What makes Jesus the “Good” Shepherd and not just a “normal” shepherd? (Hint: The Major points of the Sermon) What are some things a shepherd does for his sheep and how is that different from a hired hand?
2. In the passage, Jesus repeats four times He is going to do something. What does He say He will do and why did He have to repeat it so many times?
3. In vs. 16, Jesus says He has other sheep. What do you think He is talking about and who are they?
4. Why was there confusion over who Jesus was? (Vs. 19-21) And why do you think there is so much confusion today over Jesus?

Application

5. How can you personally grow in knowing Jesus over the next month?
6. Jesus announced His authority over all things. How does God’s authority over all impact your life?

8. How can we pray for you?
