Kingdom Ethics: Following Jesus in a Fragmented Political Culture

Tuesday nights

7:00pm-8:30pm

Superior Room (off of the gym)

September 1 - November 10

This class will explore the divided political landscape we are experiencing in our country today. Why are people so angry? What drives the things people say and do? And how should we, as Christians, respond to those whose political views differ from our own? We'll discuss Christian ethics and how our faith can guide us in navigating today's politically fractured culture. Come ready for thought-provoking questions and challenging conversations.
