Sermon Discussion Questions
My Skin: Racial Reconciliation
Part 3: Pursing Racial Justice

1. Read Amos 5:18-24 again. What do you think the “Day of the Lord” is? (Other texts Ezekiel 30:3-4, Isaiah 2:12, Romans 2:5) In Christ, how should we view the “end times”?

2. Why is God so upset with His people? What is going on in the history of Israel when the prophet Amos writes this message? What are some injustices that the people of God were overlooking?

3. What the good news in Ephesians 2:8-10? Discuss it’s implications

4. What is one thing that stood out to you from this week’s message?

Application:

5. Why is it so easy to worship on Sunday morning, but forget about the hurting during the week?

6. How is not standing up to injustice just as bad as perpetuating injustice?

7. How can you start taking steps in the area of racial justice today?

Pray: How can we pray for each other?
