
TRUTH UNCHAINED

The Disciple's Motto

Key Verses:

Colossians 2:6-7

Key Point:

The Truth of Jesus shapes every part of a believer's life. We are to be grounded on and continually growing in that Truth.

Key question:

Does it seem to be easier to trust Jesus for salvation than for the day-to-day steps of obedience? Why or why not?

The Verses

V. 6

V. 7

Parting Truth:

When we read Scripture, it is clear that we are commanded to “walk in Christ.” Have you ever given serious thought as to *why* we should? Is it just another command we don’t expect to keep? When you become *truly* convinced that God’s way is the best way to live and the only way to have peace, joy, and hope, your desire to walk in Christ only grows in step.
