Prayer and the Gospel

Key Verses:

Colossians 4:2-6

Key Point:

Believers are to be consistent in prayer and always ready to share the gospel. These two things should be prevalent for a follower of Jesus.

Key question:

How much of your day, if you recorded every thought, word, and action, would be spent in prayer and sharing the gospel? Could you say these are priorities?

Parting Truth:

Remember Paul's letter is to a *church* — one body unified in purpose and action. We are not meant to do this alone.

We *need* support, and God gives us that in the church He builds. Be an encouragement to others in both prayer and in sharing the good news of Jesus Christ! As you encourage others, you yourself will be encouraged.
