

Sermon Notes Week 1 Protocol Series

The church is a place for broken and hurting people. We are all broken and hurting. We are in need of healing that only comes from the Lord and the Lord among us as the Body of Christ. It is our responsibility to bring others to this good news that the Lord offers forgiveness and healing.

1. Responsibility 2 Cor. 5:11 – Because we understand our fearful responsibility to the Lord, we work hard to persuade others.

2. Authenticity 2 Cor. 5:11 – God know we are sincere, and I hope you know this too.

3. Humility 2 Cor. 5:12 – A church should be humble and proud of it.

4. Insanity 2 Cor. 5:13 – We should never be in a place where everyone “fits” in. We should be a place for things that are unusual.

Conclusion

The church always has been a risk. It has to be a place that represents grace because we need it.
