

2025-10-04 Healing in the Fall Moadim Part 4

Sukkot begins Monday evening at sundown, Feast of Tabernacles or Booths

Leviticus 23:34 "Speak to Bnei-Yisrael, and say, On the fifteenth day of this seventh month is the Feast of Sukkot, for seven days to Adonai.

35 On the first day there is to be a holy convocation—you are to do no laborious work.

We'll be having a holy convocation on the 1st day of Sukkot

On Monday At 7pm, after sundown

It will be outside on the front lawn in and around our Sukkah

Sukkah is a temporary dwelling we'll be setting up & decorating tomorrow

& we'll be dedicating our Sukkah at the service on Monday evening

Because Monday after sundown is October 7th on the Biblical calendar

Immediately after we dedicate our Sukkah

We'll also have a memorial service for those murdered on 10/7 in Israel

& those who have died in the Gaza war

& pray for the hostages & Israel's leaders

36 For seven days you are to bring an offering by fire to Adonai. The eighth day will be a holy convocation to you, and you are to bring an offering by fire to Adonai. It is a solemn assembly—you shall do no laborious work.

We'll also be having a holy convocation on the 8th day of Sukkot

On Monday, 10/13 after sundown

Sukkot is only the time we're commanded by the Lord to rejoice

How can we rejoice in a world that is so full of tsuris, lies, sin, sorrow?

By remembering our ancestors living in Sukkot, temporary dwellings

Wandering in desert with God's presence among them

As a pillar of cloud & fire to lead them

Remembering that we too are being led on a journey by Ruach Ha Kodesh

40 On the first day you are to take choice fruit of trees, branches of palm trees, boughs of leafy trees, and willows of the brook, and rejoice before Adonai your God for seven days.

We're instructed to give thanks by waving branches & fruit because

Sukkot is also a harvest festival, after fruit harvest, final harvest of year

A time to express our gratitude for the many blessings we do have

It's also the origin of America's Thanksgiving Day

Sukkot begins just 5 days after Yom Kippur so in Biblical times it was a time

For all Israel to rejoice that atonement had been made for the nation's sin

We can rejoice now for Messiah's once & for all atonement

By faith we will also be rejoicing over the healings the Lord has done

During the 10 Days of Awe ending last Thursday on Yom Kippur

& that He started then & will complete in the future

Traditional Judaism focuses on the theme of God's book

God decides our fate for the next year between Rosh Hashanah and Yom Kippur

Therefore: Rosh Hashanah begins 10 days Awe, Yomim Noraim,

Of personal repentance preceding Yom Kippur – t'shuvah

This year Ruach Ha Kodesh led me to share a series of 4 messages called

"Healing in the Fall Moadim"

Because I believe there is a healing Power in this appointed time

Physical, emotional, spiritual, relational, financial healing

Testimonies

Review first 3 messages – you can hear or see them online

Bible says – there are spiritual roots to diseases that doctors can't cure

& spiritual roots of other dysfunction

Emotional, relational, financial, in careers & ministry dysfunctions

We looked at several Bible passages to support this belief, for example

Exodus 15:26 – says the obedient will be blessed by health

Deut. 28:22, 27, 28, 35, 59-61 says the disobedient will be punished by sickness

Mark 2:5-12 – tells about a paralytic healed by having his sins forgiven

We learned you can deal with the root causes of these dysfunctions

By discovering those roots and dealing with those roots

Through repentance, deliverance & prayer for healing

I believe that process of uncovering and dealing will be fruitful now

Because it has been God's appointed time for it during the 10 Days

We pointed out sickness could be due to the sick person's known or **secret** sin

Or to someone else in their life's sin, like an abuser

It could be due to power Satan has gained over you

Through yours or someone else's sin

Or to a traumatic experience that gave fear an opening

It could be due to a betrayal that gave bitterness an opening

We asked the question; is it God's will to heal physically?

Psalm 103:2 Bless ADONAI (the LORD), O my soul, and forget not all His benefits:

3 He forgives all your iniquity. He heals all your diseases.

We learned there can be exceptions John 9:1-7

A man born blind for the glory of God

Although that blind man did receive a glorious healing

Or when it's time for a person to die

Parashah 2 weeks from now, after the flood Noah made a sacrifice to the Lord

Genesis 8:21 When ADONAI smelled the soothing aroma, ADONAI said in His heart, "I will never again curse the ground on account of man, even though the inclination of the heart of humankind is evil from youth. Nor will I ever again smite all living creatures, as I have done.

"inclination of human hearts which is evil from youth" is human iniquity

Was not changed by the flood, it's still around

The biggest obstacle to effective prayer for physical healing is in the belief

Of many in the Body that because you've received the Lord

The effect of iniquity, that evil inclination, in your life is gone

This is not what the BH teaches

Walking with the Lord is a lifelong struggle with that inclination to evil

Also called your flesh, old nature, carnal nature or iniquity

This is the process called sanctification, striving for behavior righteousness

The ongoing spiritual maturing process whereby

You are being conformed to the image of Yeshua

Process should lead to greater & greater victory over sin, iniquity & satan

& healing in all areas, spiritual, emotional, physical, relational, financial

1 John 1:8 If we claim not to have sin, we are deceiving ourselves, and the truth is not in us.

Brit Hadashah teaches believers are to consider ourselves still subject to sin

This confuses some people & they ask am I still a sinner

Didn't anything happen when I was born from above?

Yes, a huge change happened

According to Jeremiah's prediction

Jeremiah 31:32 "But this is the covenant I will make with the house of Israel after those days" —it is a declaration of Adonai— "I will put My Torah within them. Yes, I will write it on their heart. I will be their God and they will be My people.

33 No longer will each teach his neighbor or each his brother, saying: 'Know Adonai,' for they will all know Me, from the least of them to the greatest." it is a declaration of Adonai. "For I will forgive their iniquity, their sin I will remember no more."

When you were born again from above God wrote His Word in your mind

So you can understand & remember it, you weren't able to do that before

He wrote His word on your heart so you'd desire to keep it, you didn't before
 God put His Ruach Ha Kodesh in you to enable you to keep His Word
 He wasn't in there before

However, we all still struggle with our old nature, flesh, iniquity
 & at times we all give in to our flesh

Why? Because of ignorance of God's Word or deception by satan
 & we fall short of God's standards in thought, attitude—that's iniquity
 Or in word or action – that's sin or transgression

But, it's no longer something you **want** to do, or habitually do
 Our falling short appalls us & Ruach Ha Kodesh in you is able to convict you
 & cause you to humble yourself & repent

But Brit Hadashah teaches that our sin & iniquity still have an effect on our lives
 Physical, emotional, mental, spiritual, relational, financial

*(NKJV) Galatians 6:7 Do not be deceived, God is not mocked; for whatever a man sows, that he will also reap.
 8 For he who sows to his flesh will of the flesh reap corruption, but he who sows to the Spirit will of the Spirit reap everlasting life.*

This passage was written to believers, not unbelievers

Also learned that past sin can continue to cause problems
 Even if it has been repented of

If a demonic power has been gained power over you through it

Yet the Lord gives you a way to deal even with that

So if the enemy has kept you in the dark about the root causes

Of sickness, bondage, conflicts, financial problems in your life

What do you have to do to hear from God about them?

You need a contrite heart – willing to change

We also learned sickness and disease are caused by dysfunction

In relationships with God, self, others

1. Dysfunction in relationship with God, His Word and His love

Greatest dysfunction is not having assurance that God loves you

2. Dysfunction in relationship with yourself

Many suffer from self hatred, low self esteem, guilt, condemnation

3. Dysfunction in relationships with others

Unforgiveness, resentment, anger, hatred, bitterness, competition, envy

All frequent sources of dysfunction in our lives

Now let's cover some new ground, 4 important points

1. Before I learned about spiritual roots I prayed, laid on hands

Anointed with oil in obedience

Sometimes when doing those things a gift of Ruach Ha Kodesh would be given

Insight would come to the spiritual root of that disease

I'd share that revelation and when person dealt with it, healing would come

But, those were **unusual** occurrences, not the norm

2. Now I've learned medical science has discovered the spiritual roots

Of many incurable diseases

& we have access to Be In Health's online Spiritual Roots directory

Compiled based on records kept at Be In Health over 35 years of ministry

Spiritual roots of the dysfunctions of people who have been healed

Have been recorded

If you tell me the name of the disease I can look up the root

We can go directly after it when we pray & you will have the knowledge

To resist the temptation to continue entertaining that root

3. Not all diseases are caused by spiritual roots

Estimate 85% of chronic, incurable diseases are

Other 15% are not or at least no root has been found

4. Some have rejected this teaching because they are afraid

That if they have a detectable sickness like a cough, tumor, rash

Or tell someone they have some serious disease

People who have received this teaching will judge them

And consider them to be sinners, have iniquity, be worldly

They will lose respect & be subject to gossip

This fear a deception of the enemy because

Those who receive this teaching have already humbled themselves

& admitted to themselves & to others

That **they themselves** struggle with iniquity

So, they will not judge others who make same admission

5. Another reason we shouldn't fear that kind of judgment is

Root cause of a disease may be iniquity you suffered from in the past

And God may have already dealt with you about it & delivered you

But, the effect may still be causing physical problems

Ex: several years ago a scan revealed a stone lodged in my kidney

Root cause of kidney stones is stress

When I learned that I repented & God helped me deal with stress better

But stone came loose years later & blocked a duct & required surgery

That was the effect of that root I had already dealt with years ago

Let's move on the power of our tongues in causing dysfunction

In all areas: physical, emotional, mental, spiritual, relational, financial

James 3:6 Yes, the tongue is a fire, a world of wickedness. The tongue is so placed in our body that it defiles every part of it, setting ablaze the whole of our life; and it is set on fire by Gei-Hinnom (Hell) itself.

Words have power, things you have said can bring destruction on yourself

Obviously by blaspheming, boasting, criticizing, judging, abusing others

But, frequently through self talk that goes on in your head

If it consists of self criticism, self rejection or self bitterness

Those are words that have power to bring destruction on yourself

That selftalk can be changed by repentance, deliverance & renewing your mind

You can also suffer destruction because of what other people's tongues

Have spoken against you

Ex: many years ago Diane was incapacitated with vertigo, no remedies helped

We were given a prophetic word by a stranger that anti-missionaries

Non-Messianic Jewish people who opposed MM

Were speaking curses from Kabala against leaders in MM

In prayer Diane and I broke power of those curses

Proclaiming Messiah's power to break curses from Galatians 3:13

Immediately afterward, the next day, we were able to make contact with a physical therapist

Who was able to really help Diane

& also we learned about Be In Health which was also instrumental in her healing

James 3:6 also means we cause fires, destruction in our lives

& other people's lives with our tongues

And other people cause destruction in our lives with their tongues

Without calling down curses on people

Words spoken by others that we entertain, receive, believe, repeat

Have power over us to wound or to put us into bondage

Ex – if a parent frequently says their child is stupid, ugly & will never succeed

Child will begin to believe those words & a spirit will gain access to him

To bring him into bondage

Dysfunctions can also be inherited from past generations

Biological & spiritual diseases are passed down through generations 2 ways

1. Genetically - God can heal even these & other genetic disorders
2. Inherited dysfunctions are also caused by association

A parent who is always fearful, angry, bitter or greedy
Will pass those traits on to their children

Now let's look at diseases associated with 5 significant roots

3 of them actually called out in the Bible, 2 from documented experience

Remember roots are sins, attitudes, beliefs, habits of thought

1. Envy - product of dysfunction in relationships with others

Wanting what others have

Also in relationship with God – not satisfied with what He has given

Spoken of about 15 times as sin in the Bible

But, Bible also tells us the kind of disease that is associated with envy

Proverbs 14:30 A sound heart is life to the body, but envy is rottenness to the bones.

What diseases rot the bones? Arthritis, osteoporosis, other joint problems

Envy is a root of these

Proverbs 17:22 A merry heart does good, like medicine, but a broken spirit dries the bones.

2. What is a broken spirit? A broken heart

Root that's not a sin but result of sins against you due to

Rejection, betrayal, abandonment

What does it mean to have dry bones?

Bone marrow produces blood cells, dry bones have no marrow

White blood cells are vital parts of your immune system

Broken heart causes drying up of bone marrow

Is the root of leukemia, immune system diseases

Weakened immune system makes you susceptible to many other diseases

3. Unwarranted fear, there are circumstances in which you should be afraid

Like if you are trapped in a burning building or attacked by an angry dog

But most fears are groundless, based on projections of what **might** happen

Unwarranted fear is a principality with many other spirits serving it

English has many words for different types of unwarranted fear

Anxiety is fear of future, stress, tension, nervousness, panic attacks, terror

Fears of falling, flying, heights, spiders, failure, rejection, humiliation

Poverty, sickness, authority, prejudice, strangers

Some women have a fear of men, some men have a fear of women

(NKJV) Luke 21:26 men's hearts failing them from fear and the expectation of those things which are coming on the earth, for the powers of heaven will be shaken.

Earthquakes, tornadoes, floods, fires cause some people to die of heart attacks

& medical science has discovered many chronic diseases are also caused by

Low level unwarranted fears, including those just listed

These cause your adrenal glands to secrete adrenalin at low levels continuously

& cause breakdown in body's systems

Also causes adrenal burnout where your adrenal glands are not able

To provide the adrenalin you need frequently for many activities

Root of unwarranted fear is lack of trust in God

Dysfunction in your relationship with Him

God commands us to fear not many times in the Bible

Isaiah 43:1 But now, thus says the Lord, who created you, O Jacob, And He who formed you, O Israel: "Fear not, for I have redeemed you; I have called you by your name; You are Mine.

So giving in to unwarranted fear, letting it direct you, entertaining it

Really is a violation of God's commands, something to be repented of

Long lasting unwarranted fear, like always being stressed at work

Causes harmful chemical imbalances that harm our bodies

What other illnesses are related to unwarranted fear, anxiety and stress?

Angina, high blood pressure, hypertension, arrhythmias

Here's a big one – allergies are due to unwarranted fear

Story of my healing of allergies

When allergies become severe causing people to be allergic to many things

In their environment it's caused by fear & called

Multiple chemical sensitivities/environmental illness

Unwarranted fear also causes muscle dysfunctions

Tension headaches, muscle aches

& It causes respiratory System Disease - asthma

& gastrointestinal Diseases

When stressed we can feel our stomachs churn due to stress

Ulcers, ulcerative colitis

& skin diseases - eczema, acne

& central Nervous System dysfunctions

Fatigue, type A behavior, workaholism, overeating, depression, insomnia

I've counseled people who have struggled with HBP, arrhythmias, ulcers

Like most people they thought their unwarranted fear was normal

Part of their personality, who they were

Couldn't do anything about it except medicate symptoms

Medications helped but didn't remove the source of unwarranted fear

Which was not trusting God

& also medications all had side effects

When people suffering from these dysfunctions understood this connection

& begin praying against unwarranted fear

They have had victory over these diseases

And peace – because you can't be at peace if you are in fear

I had to deal with unwarranted fear

Here's the verse that helped me the most

(NKJV)1 John 4:18 There is no fear in love; but perfect love casts out fear, because fear involves torment. But he who fears has not been made perfect in love.

This passage says love and unwarranted fear cannot co-exist together

Where do you get the love from? God

When you walk in God's perfect love unwarranted fear has no place in you

But he who fears has not been made perfect in love.

If you suffer from unwarranted fear, love has not accomplished

Its perfecting work, which is to eliminate unwarranted fear

Something is missing in your "love covering"

If you struggle with fear it means there is doubt that God loves you perfectly

Or you don't love yourself

Or you have a breach in relationships with people

Who are supposed to be part of your love covering but aren't

Like parents, siblings, spouses, children, rabbi/pastor, friends

When those people don't forgive you, drive you, demand perfection of you

Put you down, won't show physical affection in a kiss or hug

Or verbal affection in a loving word, don't support you

If you are unable to give or receive love you have this problem

fear involves torment

This lack of love may allow an unclean spirit access to you & cause the

Torment of mental, emotional, physical, relational, financial dysfunctions

What is the only way to get rid of that torment? – *perfect love casts it out*

Beginning of healing is reconciliation with God, His love, His fatherhood

Making peace with Him

And then reconciliation with self & reconciliation with others

With His love covering you fear can be cast out & will stay out

John 14:27 Peace (Shalom) I leave with you, My peace (shalom) I give to you; not as the world gives do I give to you.

Let not your heart be troubled, neither let it be afraid.

Yeshua promises His shalom to you, meaning the absence of unwarranted fear

He says He'll give it – not as the world gives

Meaning there will not be a price to pay

Like the price you pay for peace coming from being drugged

Price of the medication, the addiction and the side effects

Let not your heart be troubled neither let it be afraid

You have a part in this, you have to not let your heart be troubled

Stand against unwarranted fear, declare your trust in God's love

Courage consists of overcoming unwarranted fears

4. From medical experience unforgiveness, resentment, hatred, anger, rage

All components of bitterness

Cause cancer, aneurysms, varicose veins, hemorrhoids etc.

The Forgiveness Project by Michael Barry

Summarize

Also means you should confront people when you are angry with them

For a valid reason, rather than stuffing it

Because stuffing your anger will cause destruction, not in them, but you

5. Self rejection, self hatred causes autoimmune diseases

The immune system obeys the spirit of self hatred & attacks your body

Lupus, Crone's, diabetes, rheumatoid arthritis, MS

Coronary artery disease, hardening of the arteries, strokes

Heart muscle inflammation, rheumatoid arthritis

Prayer

Thank you for Days of Awe, days of revelation of iniquity, spiritual roots

Only Your Ruach Ha Kodesh can reveal these to us

We take responsibility for any iniquity You have revealed, stop blaming others

We repent of entertaining any iniquity, ungodly thinking or attitudes

Repent of unforgiveness, anger, resentment, bitterness, envy, unwarranted fear, anxiety, stress, self hatred, self rejection

We receive Your forgiveness, we forgive ourselves

We renounce turn away from that iniquity, separate from it

Bind the power of the principalities of fear, self hatred & bitterness

Command any of satan's evil spirits to leave all who are hearing this

Spirits of unforgiveness, anger, resentment, bitterness, envy, fear, worry, anxiety, stress, self hatred, self rejection, self bitterness

Give us the gift of discerning of spirits to enable us to resist their return

Heal all who have a broken spirit or heart

Heal all who are physically afflicted

Heal emotions, mental disorders, spiritual disorders, relationships, finances

Refill us with Ruach Ha Kodesh

Renew our minds by teaching us to think as You think

One more step today after the Aaronic Benediction

James 5:14 Is someone among you ill? He should call for the elders of the congregation. They will pray for him and rub olive oil on him in the name of the Lord.

15 The prayer offered with trust will heal the one who is ill - the Lord will restore his health; and if he has committed sins, he will be forgiven.

16 Therefore, openly acknowledge your sins to one another, and pray for each other, so that you may be healed. The prayer of a righteous person is powerful and effective.

If Ruach Ha Kodesh has brought some root to your mind today or recently or in the past

& you've recognized it & repented of it or are ready to repent

According to passage in James you're invited to come up after service today

& be anointed with oil & get prayer for deliverance & healing

From me & other Elders who are available, & prayer team

You don't need to tell us what that root or iniquity was unless you want to

It is sufficient that you've dealt with it before the Lord by repentance

We're going to exercise our faith & pray you receive full forgiveness

Command those spirits to leave, pray for you to resist their return

Pray for your mind to be renewed & for your physical healing

& if you need emotional, mental, spiritual, relational or financial healing

We'll pray for that too
