

He Lives Again

(Verse)

When the sun filled the skies
With heaven's pure light
That very first Easter morning
Did the flowers all turn
To hear as the birds
Sang their own songs of glory?

(Chorus)

Gloria! Gloria! Jesus is risen!
Gloria! Gloria! Praise to the lamb
Join the earth in joyful chorus
Gloria! Gloria! He lives again!

(Verse)

Does the dancing of streams
Or fields in the breeze
Still tell us the Savior's story?
Do the mountains reach up
To point to His love?
All nature knows His glory

(Chorus)

Gloria! Gloria! Jesus is risen!
Gloria! Gloria! Praise to the lamb
Join the earth in joyful chorus
Gloria! Gloria! He lives again!

(Bridge)

Heaven and nature sing!
Heaven and nature sing!

Gloria! Gloria! Jesus is risen!
Gloria! Gloria! Praise to the lamb
Join the earth in joyful chorus
Gloria! Gloria!
He lives!
He lives!
Gloria! Gloria! He lives again!
