- The Lord's Prayer is about the five most important concerns of the Christian life.
- Think of each petition as a heading in your outline of prayers.
- Example: All our prayers for revival and awakening fall under the first two petitions.
- "Hallowed be thy name" is a prayer that God's name will be vindicated in our world.
- We're asking God to vindicate His name and bring manifestations of His kingdom, even if He wants to use us to accomplish it.
- Only God's children can effectively pray this prayer.
- Thankfully, God is in heaven and near enough to hear us.
- The "daily bread" petition trains us in the Manna Principle
- "Forgiving" in the Lord's Prayer is not "absolving."
- By releasing the debts owed us, we turn them over to the Debt Collector.
- There are kinds of testing that we should welcome, but we don't want the kind of testing that comes when the evil one has led us into compromise.
- For the sake of Jesus and all the people we love we must stop drinking the poison of resentment.
- Jesus is worth more than a trillion dollars; we can afford to cancel the debt of someone who owes us a thousand.
