

Greetings in the name of our Lord Jesus Christ!

I am writing to share the highlights from our recent Bible study led by Pastor Darrio on the topic of the Breastplate of Righteousness,” based on Ephesians 6:14. It was a powerful and enlightening session, and I believe the insights shared will be a blessing to all who reflect on them.

Key Highlights from the Study:

1. Understanding the Breastplate of Righteousness:

Pastor Darrio explained that just as a Roman soldier’s breastplate protected their heart and vital organs, the righteousness given to us by God serves as our spiritual protection against the attacks of the enemy.

2. Righteousness Through Christ:

We learned that true righteousness does not come from our own efforts or good deeds, but from faith in Jesus Christ. It is a gift from God that covers and guards us.

3. Righteousness Is Confidence in God:

Pastor Darrio emphasized that righteousness is not just about right actions, but about having confidence in God—trusting that He has made us right with Him through Christ. This confidence enables us to stand firm and unashamed, knowing our identity is secure in Him.

4. Guarding Our Hearts:

The breastplate symbolizes the importance of protecting our hearts and minds from sin, guilt, and condemnation. Pastor Darrio encouraged us to be vigilant and to allow God’s righteousness to shield us daily.

5. Living Out Righteousness:

The study emphasized that putting on the breastplate means living with integrity and aligning our actions with God’s standards. We were challenged to reflect Christ in our daily lives and to stand firm in our faith.

6. Faith and Love as Our Breastplate:

We also explored 1 Thessalonians 5:8, where Paul describes the breastplate as “faith and love.” Pastor Darrio highlighted how faith in God and love for others are essential aspects of

our spiritual armor, working together with righteousness to protect and empower us in our walk with Christ.

7. Victory in Spiritual Warfare:

Finally, Pastor Darrio reminded us that spiritual battles are real, but with the armor of God—especially the breastplate of righteousness, faith, and love—we can stand strong and overcome the schemes of the enemy.

We are grateful for Pastor Darrio's teaching and the opportunity to grow together in understanding God's Word. Let us continue to encourage one another to put on the full armor of God each day.

May we all walk in the righteousness of Christ, stand firm in faith and love, and have unwavering confidence in our God!

Blessings,

Pastor Darrio
