

The background image is a dark, atmospheric city street scene. In the foreground, a rusted, abandoned car is the central focus. The street is lined with tall, multi-story buildings, some of which are illuminated from within, creating a stark contrast with the dark exterior. The overall mood is one of desolation and decay.

CHAPTER 13

Anti-Christ
(The Son)

False Prophet
(Holy Spirit)

REVELATION 13

A man with dark hair, wearing a pinstriped suit, white shirt, and grey tie, is shown from the chest up. He has a menacing, slightly smiling expression, looking downwards. The background is dark and smoky, with a circular pattern of light and shadow around the man's head.

Anti-Christ
(The First Beast)

And I saw a beast rising **out of the sea**, with ten horns and seven heads, with ten diadems on its horns and blasphemous names on its heads.

And the beast that I saw was like a **leopard**;
its feet were like a **bear's**, and its mouth was
like a **lion's** mouth. And to it the dragon gave
his power and his throne and great authority.

One of its heads **seemed to have a mortal wound**, but its mortal wound was healed, and the whole earth marveled as they followed the beast.

And they worshiped the dragon, for he had given his authority to the beast, and they worshiped the beast, saying, **“Who is like the beast, and who can fight against it?”**

And the beast was given **a mouth uttering haughty and blasphemous words,** and it was allowed to exercise authority for forty-two months.

It opened its mouth to utter blasphemies against God, **blaspheming his name and his dwelling**, that is, those who dwell in heaven.

Also it was **allowed to make war on the saints** and to conquer them. And authority was given it over every tribe and people and language and nation, and all who dwell on earth will worship it,

Everyone whose name has not been written **before the foundation of the world** in the book of life of the Lamb who was slain.

If anyone has an ear, let him hear:

“If anyone is to be taken captive, to captivity he goes; if anyone is to be slain with the sword, with the sword must he be slain.”

Here is a call for the endurance and faith of the saints.

(The Second Beast)

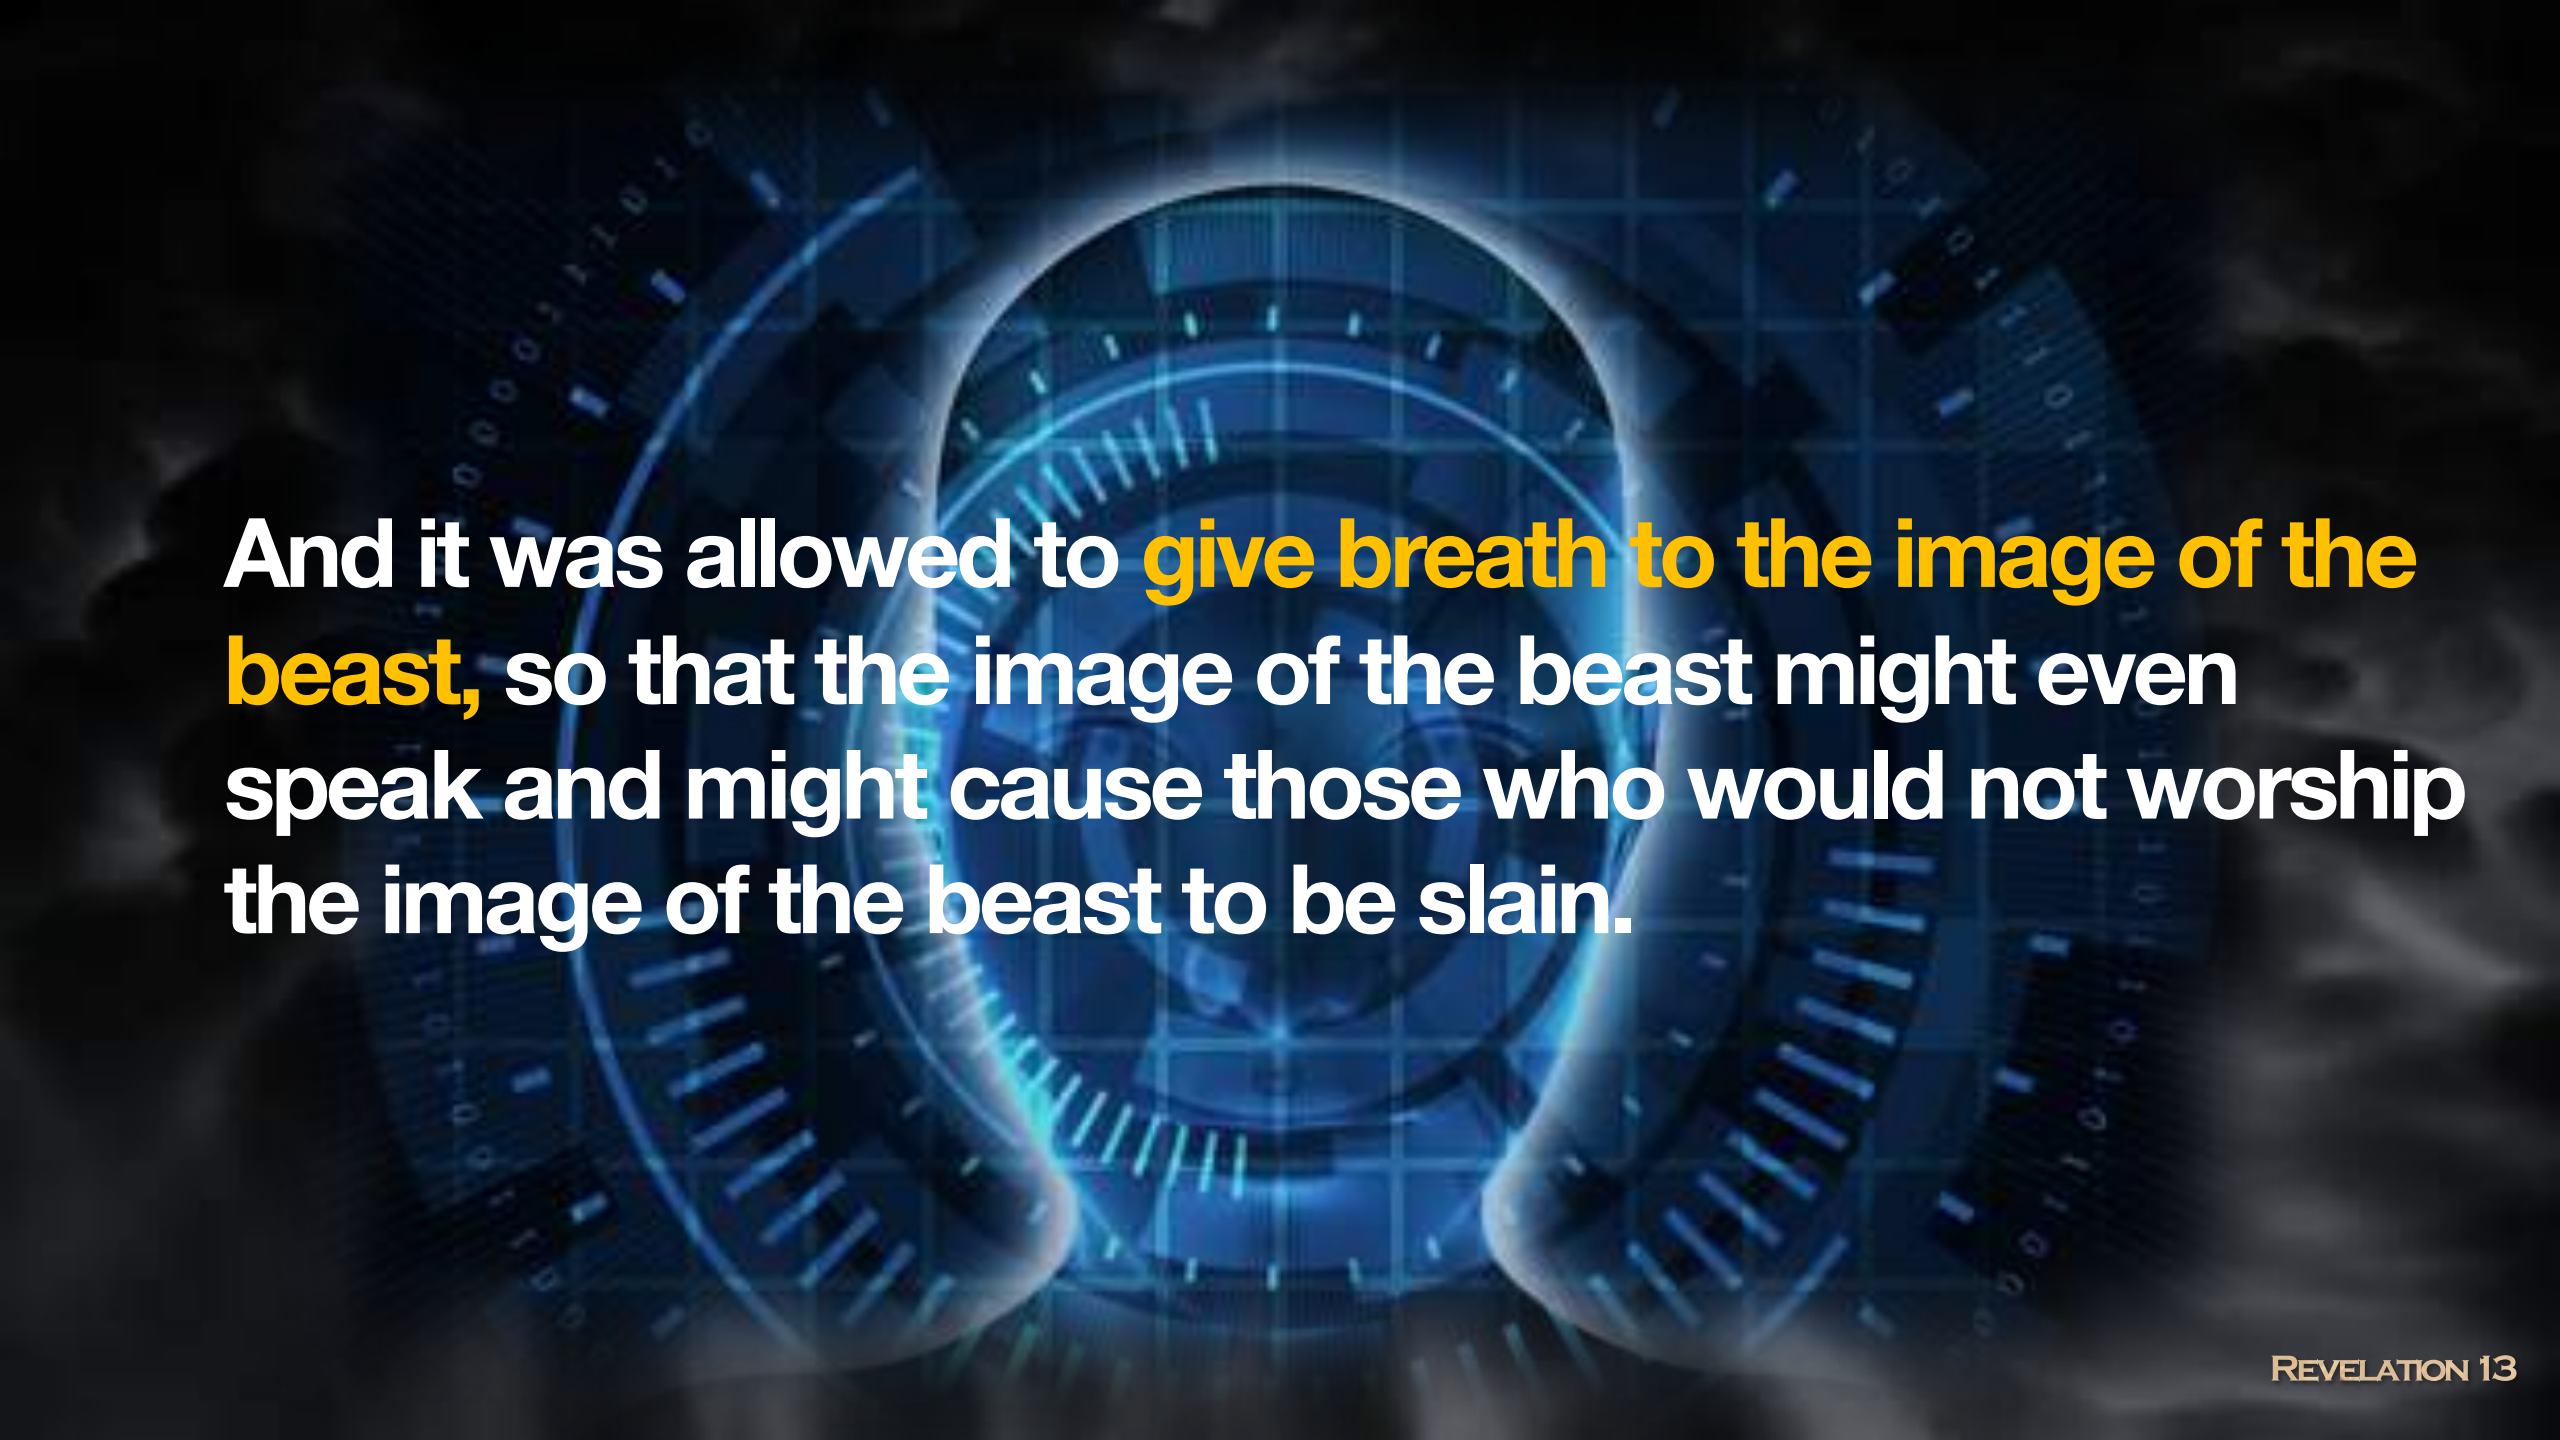

Then I saw another beast rising out of the earth. It had two horns like a lamb and it **spoke like a dragon.**

It exercises all the authority of the first beast in its presence, **and makes the earth and its inhabitants worship the first beast,** whose mortal wound was healed.

It performs great signs, even making fire
come down from heaven to earth in front
of people, and by the signs that it is
allowed to work in the presence,

A digital eye graphic with binary code and a grid pattern. The eye is composed of glowing blue lines and dots, with a grid of small squares overlaid on it. The background is dark with faint binary code and grid patterns.

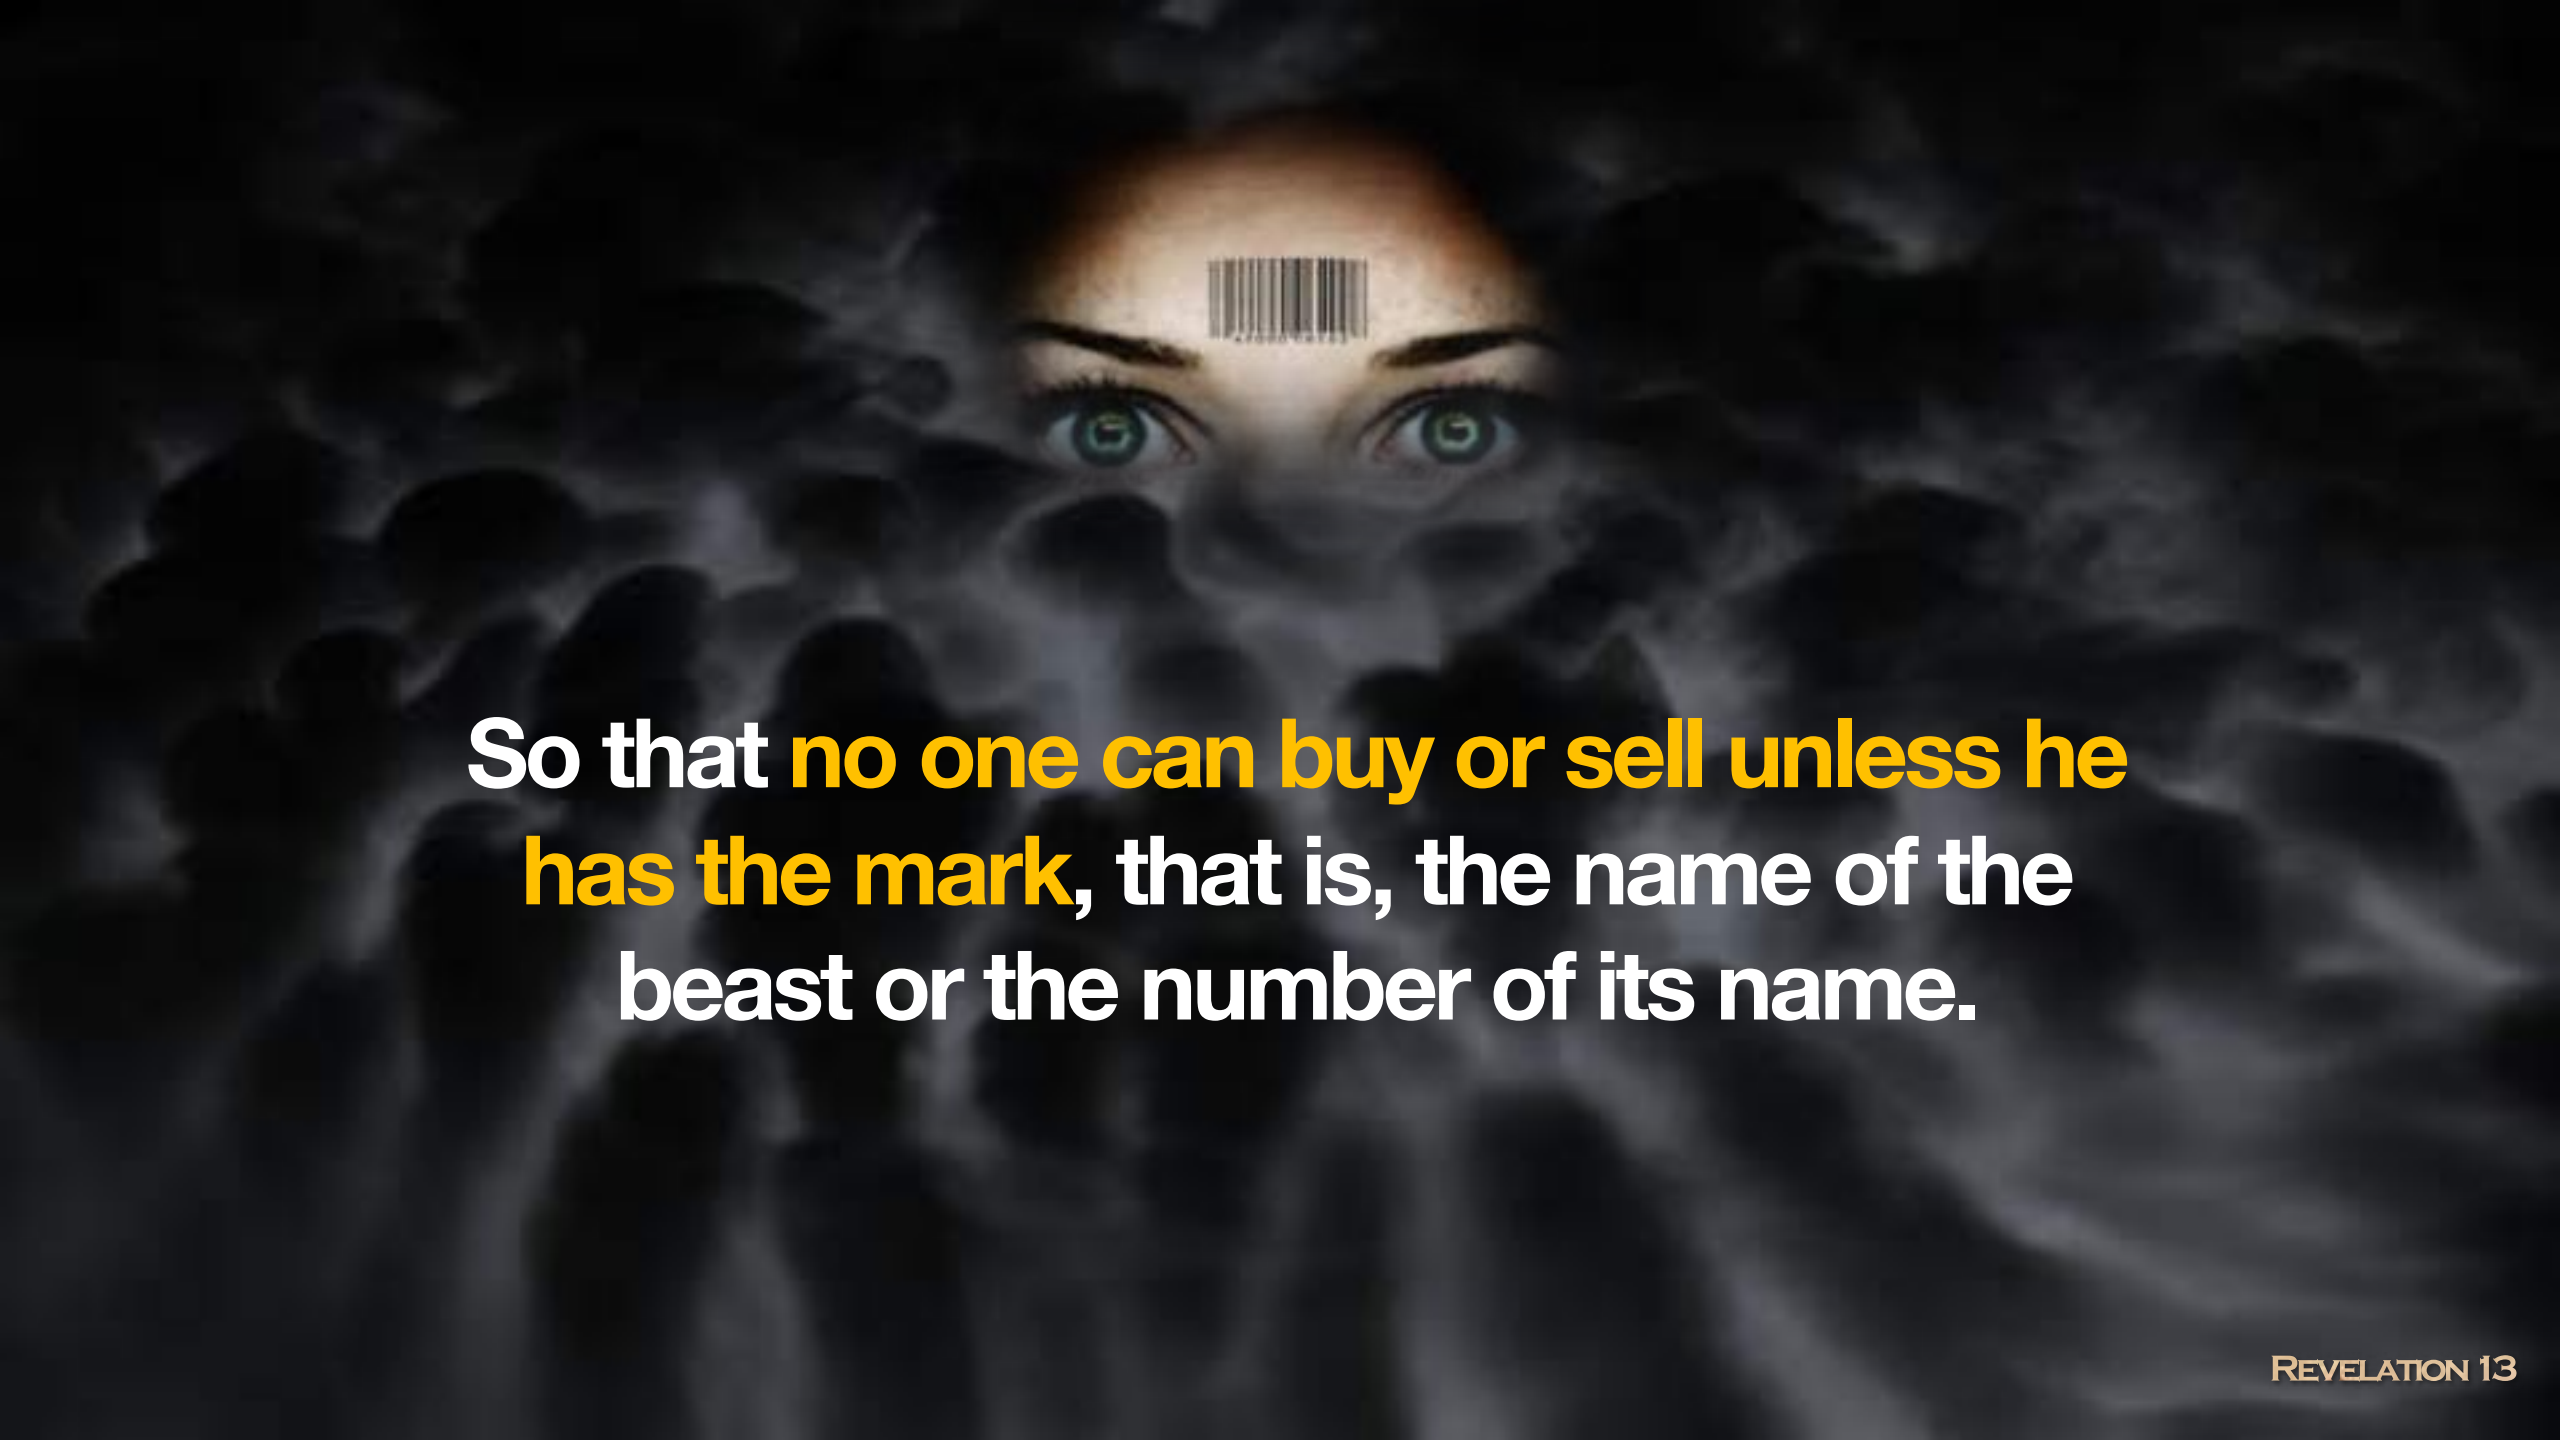

It deceives those who dwell on earth, **telling them to make an image for the beast** that was wounded by the sword and yet lived.

And it was allowed to **give breath to the image of the beast**, so that the image of the beast might even speak and might cause those who would not worship the image of the beast to be slain.

A woman's face is centered in the upper half of the image, with a barcode superimposed on her forehead. She has striking green eyes. The background is a dark, dense crowd of people, with only their faces and heads visible, creating a sense of a large gathering or a sea of humanity. The lighting is dramatic, highlighting the woman's face against the dark background.

**Also it causes all, both small and great,
both rich and poor, both free and slave, to be
marked on the right hand or the forehead,**

A woman's face is the central focus, with a barcode superimposed on her forehead. She has striking green eyes and is looking directly at the viewer. The background is a dark, dense crowd of people, their faces blurred and indistinct, creating a sense of a large gathering or a crowd. The lighting is dramatic, highlighting the woman's face against the dark background.

So that **no one can buy or sell unless he has the mark**, that is, the name of the beast or the number of its name.

A man in a dark suit and tie is looking down with a serious expression at a large, dense crowd of people. The scene is dimly lit, with the man's face and the number '666' being the primary light sources. The crowd consists of many silhouettes of people, creating a sense of a large gathering.

666

This calls for wisdom: let the one who has understanding calculate the number of the beast, for it is the number of a man, and his number is **666**.

REVELATION 14

1. What happens to those who are killed for refusing the mark?
2. What happens to “The Beast” and his servants?

Then I looked, and behold, on Mount Zion stood the Lamb, and with him 144,000 who had his name and his Father's name **written on their foreheads.**

And I heard a voice from heaven like the roar of many waters and like the sound of loud thunder. The voice I heard was like the sound of harpists playing on their harps,

And they were singing a new song before the throne and before the four living creatures and before the elders. **No one could learn that song except the 144,000** who had been redeemed from the earth.

It is these who have not defiled themselves with women, for they are virgins. It is these who follow the Lamb wherever he goes. **These have been redeemed from mankind as firstfruits for God** and the Lamb, and in their mouth no lie was found, for they are blameless.

THREE ANGELS

Then I saw another angel flying directly overhead, **with an eternal gospel to proclaim** to those who dwell on earth, to every nation and tribe and language and people.

FIRST ANGEL

And he said with a loud voice,
“**Fear God and give him glory,**
because the hour of his judgment
has come, and worship him who
made heaven and earth, the sea
and the springs of water.”

FIRST ANGEL

Another angel, **a second**, followed, saying, “Fallen, fallen is Babylon the great, she who made all nations drink the wine of the passion of her sexual immorality.”

The background of the image is a composite. On the left, a cityscape is shown in a state of destruction, with buildings on fire and thick smoke rising into a dark, stormy sky. On the right, a large, white, stone-like statue of an angel with long, feathered wings is depicted. The angel is kneeling on a cloud, with its head bowed and hands clasped in prayer. The overall scene is dramatic and apocalyptic.

SECOND ANGEL

And another angel, **a third**, followed them, saying with a loud voice, “If anyone worships the beast and its image and receives a mark on his forehead or on his hand,

THIRD ANGEL

He also will drink the wine of God's wrath, poured full strength into the cup of his anger, and **he will be tormented with fire and sulfur in the presence of the holy angels and in the presence of the Lamb.**

THIRD ANGEL

And **the smoke of their torment goes up forever and ever**, and they have no rest, day or night, these worshipers of the beast and its image, and whoever receives the mark of its name.”

THIRD ANGEL

Here is a call for the endurance of the saints, those who keep the commandments of God and their faith in Jesus.
