

Educational Resources

About Us

WHO WE ARE

Our friendly staff is ready to assist you, breaking down concepts and making learning fun and exciting. Our program helps you enhance your skills in a safe and supportive environment.

OUR HEART

Our heart is to help families advocate for their students, providing them with foundational skills and resources to collaborate with teachers for educational success.

WHAT WE DO

By utilizing our homework help, tutoring, reading for fun and skill practice, you will receive the support you need to enhance your learning abilities and foster personal growth.

Free

Available
Educational
Services

HOMEWORK HELP

Available for students of all ages who need support completing homework. Students may work in small groups or one-on-one with an educational guide.

SKILLS PRACTICE

Available for students who need extra practice with basic skills in math or reading. One-to-one or small-group sessions available for fun, engaging practice sessions.

READING BUDDY

Students in grades kindergarten to third grade will spend time reading and discussing story elements in picture books and small chapter books.

TUTORING

One-to-one help with skills, directed by student's teacher. Specific times and tutors will be assigned for each student.

DAYS & TIMES AVAILABLE

Mondays & Thursdays, 4-6 PM

extended hours by appointment
