MESSAGE INTRODUCTION

The church is meant to be a pocket of heaven on earth.

That's what we are called to be. As followers of Christ we are also called to a life of no compromise. That's what

Paul was dealing with in the churches in Galatia. Let's take a deeper dive into Matt's sermon, Don't Eat The Ham Sandwiches.

DISCUSSION QUESTIONS (35-45 min)

1. What is something that stuck out to you personally during this week's message?
2. Do you feel pressure from the world to conform to its ways? How can we help one another stand for the kingdom's values?
3. Do you recognize any areas of your life (big or small) where you have compromised?
4. Spend extra time praying for each other and new wine church. That we would be a place of zero compromise to the world's system

APPLICATION

Take some extra time this week to see if there are areas or things in your life where you have compromised. Listen carefully for the leading, teaching, and even rebuking of the Holy Spirit. See if there are any areas in your life He brings to mind; areas where compromise has crept in. Allow the Holy Spirit to bring freedom to your life.

Icebreakers

Pick one of the icebreaker questions below and go around in a circle (starting with the leader) and have everyone answer. (If you have new members or guests have each person introduce themselves.)

1. What is your favorite season/time of the year?
2. What is your go-to karaoke song?
3. Let's tackle the age-old question: Does chili have beans, or not?
