## MESSAGE INTRODUCTION

This week, in his message entitled **The Worshipers God Is Seeking**, Pastor Wes Parker begins a new series on Worship. What is biblical worship? How should it shape the way we live, work, love, and follow Jesus beyond

Sundays? If you've ever limited worship to a song set, this message will change your perspective and call you into a deeper level of worship with God. Let's dive in and find out more.

## DISCUSSION QUESTIONS (35-45 min)

1. What is something that stood out to you from the message this week?
2. From the message, what is the big deal about Jesus asking a Samaritan woman for water? What are some of the cultural and spiritual reasons why this turned things upside down? What are some implications for how we should engage with people?
3. What was Jesus telling the woman in verses 21-24? For the Jews (and Samaritans) did it matter where they worshiped? What is different with what Jesus is telling this woman?
4. What does it mean to worship in spirit and in truth?
5. God's purpose for us is to become worshipers. What is a worshiper? How do we become worshipers?
6. **Proskuneo** (Greek): To prostrate oneself before and to adore in reverence. To kiss the hands or feet, symbolizing total submission and adoration.

## Icebreakers

Pick one of the icebreaker questions below and go around in a circle (starting with the leader) and have everyone answer. (If you have new members or guests have each person introduce themselves.)

1. Did you make any New Year's resolutions? What are they?
2. Did you participate in any special New Year's celebration?
3. What is the best thing that happened to you over the holiday season?

**Worship:** Comes from the Old English term, Worthship. It means to give something of worth – to demonstratively attribute value to a deity or God. In the Bible, worship means acknowledging God's supreme worth through reverence, honor, adoration, and obedience.

How does this line up with your understanding of worship, or how you actually worship?

## 7. Truths About Worship:

- a. Worship Transforms the Worshiper
- b. Worship Is More Than Time We Spend Together

Take a few moments and break down and talk about what each of these truths mean. What do they mean for how we worship?

## APPLICATION

**Worship is to God. Worship is for God. Worship is about God.** Take some time this week to reflect on how you worship. How does your worship measure up? Are there areas where you need to improve? Share with your small group about what came to mind as you reflected on how you worship.
