**WHCN Celebration**

**Happy 23rd Anniversary WHCN  
"We are the Family of God"**

Ephesians 3 : 14 – 21, **For this reason I bow my knees to the Father of our Lord Jesus Christ, from whom the whole family in heaven and earth is named, that He would grant you, according to the riches of His glory, to be strengthened with might through His Spirit in the inner man, that Christ may dwell in your hearts through faith; that you, being rooted and grounded in love, may be able to comprehend with all the saints what is the width and length and depth and height — to know the love of Christ which passes knowledge; that you may be filled with all the fullness of God. Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen.**

**-NKJV**

Today, we celebrate 23 years of God's goodness to this church body. If there is one word that comes to mind as I think back over the past 23 years, it would have to be, "Faithful!" God has been faithful to us because He is with us and for us.

Even though God didn't come through every time in the ways that we had hoped, He has never forsaken us.

He has continually made a way for us.

Every time that we have gathered in His name, God's Spirit has been in our midst to perform His good pleasure in our lives.

Whenever needs arose or trials opposed us, God has been a very present Help in every situation. The Lord has comforted us in times of sorrow and given us joy in seasons of blessings.

While we have persevered to serve the Lord's will in this ministry, God has been building His family. Through our diligence to maintain unity within the body, we have grown together to become God's family of which Christ is the Head.

Scripture teaches us that there is power in unity and number. We have certainly been witnesses of God's miracle working power among us.

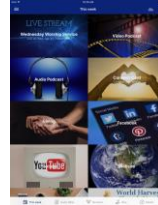

Since we know that no weapon formed against us shall be able to prosper, we have chosen over the years to stand together when attacked by our adversary. As a result, we have grown spiritually and become a closer knit body. Today, we are

stronger and more unified than ever before.
