

**DAY 20****A Testimony for Your "Town"****God's Word for Today**

Read John 4:28-30, 39-42 (or the larger passage John 4:1-42)

**Thoughts for Today**

This story about Jesus' encounter with the Woman at the Well is a powerful story of the change Jesus can make in a community in a very short period of time. Think about this woman. How long had she known Jesus before she began to tell her whole town about Him? What training had she received? This woman got a taste of "Living Water" and her life was changed. The Living Water bubbled up out of her life and became evident to those who heard her story. Like Andrew and Philip (Day 14), she immediately had to go tell others and bring them to meet Jesus for themselves. When many in the town believed in Jesus Christ, they had an experience of their own not just the words of another.

Yesterday, I asked you to reflect on your story. What have you experienced in your encounter with Jesus Christ that has changed your life? What is your testimony? Today, I want you to think about your "town." Who are the people who need to hear your testimony?

**It's Time to Pray**

1. Ask God to reveal the people in your "town" who may already be prepared to respond when they hear your story. Would they be people in your home, neighborhood, school, workplace, or gym? Or is your "town" the people who knew you in your "before Christ" days? Ask God for the boldness to share your story with your town. Describe or name the people God places on your mind and heart.

2. Ask God what He wants you to do today to apply what He has revealed. What actions will you take?

3. Pray today by name for a person who has yet to believe in Christ as Savior. List the name on page 25 and see page 24 for ways to pray.
