

## **Sermon Discussion Questions**

*For the Week of July 18, 2021*

### **Sermon Information:**

Consider Your Ways

Haggai 1

God graciously corrects wrong priorities.

God generously empowers right pursuits.

### **Discussion Questions:**

1. Have you ever studied or heard a sermon (before this week) on the book of Haggai? Why do you think we tend to not study books like Haggai?
2. Have you ever started something that you didn't finish? Has this ever happened with something that you felt like God had called you to do?
3. Do you think your priorities have changed over the last year? If so, do you think they have changed positively or negatively? Where does God and His kingdom fall on your priority list?
4. Read Proverbs 3:11-12. Can you think of a time the Lord disciplined you? Did it seem gracious and loving at the time? What about now as you look back on it?
5. When was a time that the Lord "stirred up your spirit" as He did for the people in Haggai 1? What was the result in your life? Read Hebrews 10:24-25 and discuss how we can stir one another up to love and good works.
