

Sermon Discussion Questions
For the Week of July 31, 2022

Sermon Information:

Bless the Lord
Psalm 103

We fail to worship God when we forget the goodness of God.

Don't forget:

- His redeeming work in your life.
- His gracious nature towards His people.

Worship of God must come from the innermost and extend to the outermost.

Discussion Questions:

1. In general, would you describe yourself as a forgetful person? Why or why not? More specifically, do you often find yourself forgetting the goodness of God?
2. Read Deuteronomy 8:11-20. Did the people obey these instructions from God? How are we often like the Israelites?
3. Read Psalm 103:3-5. What would it look like for you to not merely recall, but truly remember these truths on a daily basis? How would you view life differently if these truths were central in your focus each day?
4. Read Psalm 103:11-13. Do you ever struggle to believe that your sins have been separated from you as far as the east is from the west? How could you seek to not forget that reality this week?
5. What does it look like for you to bless the Lord in your own life? How can you be a part of proclaiming the gospel that God might be worshiped to the outermost?
