Discussion Questions:

1. Pastor Ben mentioned that a major theme of Jonah is the contrast between God's perspective of the people of Nineveh and Jonah's perspective. Why might this be important to keep in mind as we read the book of Jonah? How is God's perspective of people often different than ours?
2. While it was a difficult call, God was graciously inviting Jonah into His plan when he told him to go to Nineveh. In what ways has God graciously invited you into His plan? How have you responded to His invitation?
3. Jonah's sin affected those who were in his boat. Discuss how you've sin impact both an individual and those around him/her.
4. Read Hebrews 12:5-11. What does this passage teach us about the discipline of the Lord and how we should respond to His discipline? How do we see the discipline of the Lord in the story of Jonah? How have you seen the discipline of the Lord in your life?
5. How is God calling you to respond to Jonah 1? How can those around you help you to respond?
