Discussion Questions:

1. How important do you think it is that Christians and churches clearly articulate what they believe? Do you think it is easy for us to drift away from our beliefs? Why?
2. When it comes to the Sufficiency, Clarity, Authority, and Necessity of Scripture, which do you think our culture most disagrees with? Which one do you tend to personally struggle with?
3. Read 2 Timothy 4:1-5. How do we see some of the things in this passage taking place in our day? How can we apply the commands that Paul gave Timothy in this passage in our lives?
4. One of our core values says that the Bible should be the foundation and filter for all that we do. How good is your filter? Where do you have holes in your filter?
5. Pastor Ben said that the Bible is not the end, but rather the means to the end. What did he mean by this? Do you ever treat the Bible as the end rather than the means to the end? How can you continue to study the Bible in a way that leads to Gospel-rooted living?
