Discussion Questions:

1. How have doubts and questions been a part of your faith journey? Have you ever gotten the impression that it is not ok for Christians to doubt? How does the question from John the Baptist impact the way you think about doubt?
2. Pastor Ben discussed how doubts often arise during difficult times, from unmet expectations, and due to a limited perspective. Have you seen this to be true in your life? Why might it be important to be able to recognize these factors?
3. Why is it important to read the Bible in a way that points to the person and work of Christ? Why is reading this way especially important when dealing with doubt?
4. Read Matthew 11:11. Why is it significant that Jesus affirmed John in this way? What does this statement communicate about us as followers of Jesus?
5. Are there any doubts or questions that you are wrestling with right now? Bring them to the Lord and to His people and encourage one another in the Lord.
