Discussion Questions:

1. Read James 1:21. What does it mean that the word has been implanted in believers? What does it look like for us to continue to receive the implanted word?
2. Read Psalm 1:2 and Psalm 119:15. What does it mean to meditate on the word? What do you need to do this week in order for you to have the time and focus that it takes to receive the word intently?
3. Can you think of a time when you realized that you had been hearing the word but not doing the word? What brought about the change? If you're being honest, are there areas of your life where you know you're still not doing the word?
4. When it comes to doing the word, why do you think that some focus only on the personal or the social? Do you tend to focus on one more than the other? Why is it important for us to do the word in both areas of life?
5. Do you really believe that the Bible leads to true freedom? How have you experienced that to be true in your life? How would you explain the freedom that is found in Christ to a non-Christian?
