Study Questions:
Signs of True Saving Faith

1. Is it arrogant to have complete assurance and certainty that you're saved and going to Heaven? Why or why not?
2. Do you notice the signs of true saving faith in your own life?
3. Which signs do you see the least, and how do you intend to grow in these areas?
4. Why is it important to examine our faith? And why do you think that so many people don't even evaluate their faith?
5. How would you interact with someone who claims to know Christ but has little to no signs of true saving faith?
