### *Our Covenant Keeping God*

May 11, 2025

#### *Proclaim Scripture*

*‘Come to Me, all you who labor and are heavy laden, and I will give you rest.’*

*Matthew 11:28*

*A covenant is more than just a promise ~ it’s a total commitment, a bond, an absolute requirement, to do or not do something, even at the cost of your life.*

#### *There are two main types of Covenants:*

- *A Conditional Covenant requires each individual in the covenant to do something, or the covenant is invalid. When God ‘cuts’ or ‘makes’ a covenant, it is conditional.*
- *An Unconditional Covenant is given by God and is an Eternal Promise not requiring certain behaviors from its beneficiaries. These covenants are ‘given’ or ‘established.’ When God ‘gives’ or ‘establishes’ a covenant, it is unconditional. (Lev 26:1-13 is an exception.)*
