WELCOME TO CROSSROADS

We are delighted you have chosen to join us in worship today! We would like to take this opportunity to share with you some important information about our service.

We are here to seek first the Kingdom of God and His righteousness, and to glorify God by living faithfully for Him and serving Him as He directs us.

MINISTERING TO OUR CHILDREN

At Crossroads we encourage each family to determine when their children are ready to join us for the entire worship service. We understand that this is a process and varies from child to child and from family to family.

We offer the following options for your children:

- Nurseries on the West Hall for Infants & Toddlers.
- Nursery #3 on the South Hall (front entrance) for 2-3 years old

Children's Churches are available for children from age 3 through 6th grade. (Morning only)

Nurseries are available on Sunday and Wednesday nights.

The Need for a Plimsoll Line in our Lives

One of the more memorable—and unique—illustrations about rest, involves a 19th century British politician named Samuel Plimsoll. The advent of insurance in the 19th century, created an incentive for ship owners to purposely sink their own ships and collect the insurance money. This grim practice became so widespread, and killed so many merchant seamen, that the over-insure, overloaded vessels became known as “coffin ships.” Plimsoll followed evangelical campaigner William Wilberforce by applying his Christian faith and a biblical view of justice to this issue. In 1868, at Sheffield’s Fulwood Chapel he announced he would “do all in his power to put an end to the unseaworthy ships owned by the greedy and the unscrupulous.” Plimsoll crusaded for legislation to prevent it.

In 1873, under Plimsoll’s leadership, Parliament passed the Merchant Shipping Act, which required all ships to have a line painted around their hulls (a Plimsoll Line). From then on—and to this day—vessels had to display the Plimsoll Mark, a load line, painted clearly on their hulls, showing how deep they could safely sit in the water and prevent overloading. If it was below the waterline the ship was overloaded and the owners fined.

We are exceeding our limits in scores of areas all at the same time. From activity overload to choice overload to debt overload to expectation overload to information overload to work overload, we are a piled-on margins society.” We all need our own Plimsoll Line to know when to come apart unto Christ.

“Come unto me, all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls.” - Matthew 11:28, 29
