"Stewarding our Stewardship"

Focus:

AS Christians, our identity as such comes from and only because of The Father's Grace, Mercy, and Love thru Jesus Christ our Lord. The evidence of our Christianity is based on the obedience and care we take in our Christianity.

Let obedience to the Holy Spirit and His Word reign in your life so that 2024 can be a year of Spiritual growth and maturing Faith so that His Kingdom Will can be done in us, His Church, and in this World.
