

New Covenant Apostolic Church

The background of the entire graphic is a composite image. On the left, the lower legs and feet of a person are visible, standing in shallow, rippling water. In the distance, a small wooden boat with several figures inside is on the water. The sky is dark and overcast, with a bright lightning bolt striking down near the center. The overall mood is one of faith and resilience in the face of adversity.

UNWAVERING FAITH IN GOD'S PROMISES DEVOTIONAL

5-Day Plan

Day 1

The Miraculous in the Mundane Reading

John 6:1-15

In the feeding of the 5000, Jesus took something ordinary - a boy's lunch - and turned it into something extraordinary. How often do we overlook the potential for miracles in our everyday lives? Today, consider the "small fish and loaves" in your own life. What seemingly insignificant resources or abilities has God given you? Pray for eyes to see how God might multiply these for His glory. Remember, Jesus is the solution long before any problem arises. Trust in His provision and power to work miracles, even in the most unlikely circumstances.

Day 2

Faith Amidst the Storm

Matthew 14:22-23

Like the disciples caught in the storm, we often find ourselves battling unexpected challenges. In these moments, it's easy to focus on the wind and waves, forgetting the miracle-worker who walks on water.

Today, reflect on a "storm" in your life. Where is your focus - on the problem or on Jesus? Hear His words: "It is I. Be not afraid." Consider Peter's bold request to join Jesus on the water. What would it look like for you to step out in faith today, keeping your eyes fixed on Christ rather than your circumstances?

Day 3

The Great I AM

Exodus 3:13-14 & John 8:58

Jesus' declaration "It is I" (ego eimi in Greek) echoes God's revelation to Moses as the great I AM. This profound statement of divinity reminds us of Christ's supreme authority over all creation - including our struggles. Today, meditate on the names and attributes of God. How does understanding Jesus, as the incarnate I AM, change your perspective on your challenges? Pray for a deeper revelation of Christ's identity and authority in your life, trusting that He who commands the wind and waves can speak peace to your storms.

Day 4

Invitation to Come

Matthew 11:28-30 & Revelation 22:17

Just as Jesus bid Peter to "Come" onto the water, He extends the same invitation to us. This is not just a call to belief, but to intimate relationship and partnership in His miraculous work. Where in your life do you need to hear Jesus say "Come"? What fears or doubts are keeping you in the boat? Today, take time to sit quietly in God's presence. Imagine Jesus extending His hand to you amidst your particular storm. What would it look like to take that hand and step out in faith?

Day 5

Hardness of Heart vs. Wonder

Mark 6:45-52

The disciples' amazement at Jesus walking on water came despite having just witnessed the feeding of the 5000. How quickly we can forget God's faithfulness! Reflect on times God has worked miraculously in your life. Have you allowed those experiences to become commonplace, or do they still fill you with wonder? Ask the Holy Spirit to soften any areas of hardness in your heart. Pray for renewed awe at God's power and presence in your life. Choose to cultivate an attitude of expectancy, believing that the God who has done wonders is still working miracles today.
