Title: Will you join God?

Text: Esther 4:12-14

- 1) Have you ever read anything in the Bible and said, "This doesn't sound like it belongs?" What did it make you think? How did you navigate reading the passage?
- 2) Esther had a choice, to join God in what He was doing, or allow God to do His work without her. Where in your life do you see a call to join God in what He is doing?
- 3) Mordecai said this to Esther in verse 14, "And who knows but that you have come to your royal position for such a time as this?" God has each person where they are for a reason. Do you ever find that you struggle to know why God has you where you are? Why? Do you trust that He is always working in those situations?
- 4) Esther listened to God while she fasted for 3 days. The Holy Spirit is always with us and speaking to us. How does the Holy Spirit speak to you? Do you create margin in your life in order to hear what God may be saying to you?
- 5) Sometimes acting on what God calls us to do is challenging, but doing so brings joy, and love. What holds you back from acting on what God asks you to do? How can your community come around you to support you?
