

The With-God Journey

Date: January 8, 2023

Title: Word of the Year

Description: All through the Bible we learn a critical truth: God *is* with us. The key question for our lives is then: *Will I choose to live with God or not?* What choice will you make this year?

1. Reflect back: if you could only choose one word to describe what 2022 was like for you, which word would you choose?
2. This year, we are inviting the “word” for our church to be *with*. We are striving to live the with-God life as we study the Bible together. How would you describe what a with-God life is like?
3. Read the following passages: Genesis 5:21-24; Joshua 1:5; Psalm 23; Matthew 1:23; Matthew 28:19-20; Revelation 21:3-4. From these passages what do we learn about the with-God life? How might you live more of this year with God?
4. As we go on The With-God Journey together, what next step might God be calling you to take: commit to listening to every message in the series, join a small group, follow a personal reading plan, or something else?
5. Close by praying for one another. Let’s ask God that we would not only know his Word better this year, but that we would know him more intimately, love him more intensely, and follow him more closely.
