

***Help Me See: The Healing That Begins with Surrender***  
**Discussion Questions**

1. Where have you been tempted to “lean on your own understanding” instead of trusting Jesus to lead you? What would it look like to surrender that area to Him?
  
2. The blind man responded to Jesus with teachability and trust. In what areas of your faith are you currently open to being taught, stretched, or humbled?
  
3. Jesus went looking for the man after he was cast out. Have you ever felt rejected or overlooked? How did (or how might) Jesus meet you there?
  
4. The Pharisees were certain they were right, but Jesus called out their blindness. How can we recognize when our “certainty” might actually be blinding us?
  
5. The man went from “sir” to “Lord” and then to worship. What has your journey looked like from curiosity to surrender? Where are you in that journey today?

*These questions should spark deeper reflection and meaningful conversation about the key points of the sermon.*
