

## ***From Blind Obedience to Bold Faith***

### **Discussion Questions**

1. Where is God asking you to say yes—even when you don't have full clarity? Reflect on a place in your life where obedience might need to come before understanding.
2. How has your story changed you—and how do others respond when they see that change? Share about a time when people doubted or misunderstood your spiritual growth. How did you respond?
3. What's the difference between telling your story and sitting with it? What happens when we slow down and reflect on what Jesus has done—not just for us, but in us?
4. When have you needed to stand in faith even when others stayed silent? Have you ever felt spiritually alone? How did you experience God's presence in that season?
5. How has your faith matured over time? Are there moments when you moved from "He touched me" to "Let me tell you who He is"? What has helped you grow in wisdom and clarity?

*These questions should spark deeper reflection and meaningful conversation about the key points of the sermon.*
